Code of Laws (1976) as amended and 26 S.C. Code of Reg. 103-823 (1976) as amended, to the Public Service Commission of South Carolina (the "Commission") for power and authority to enter into a Loan Agreement, in substantially the form attached hereto as Exhibit A (the "Loan Agreement"), with respect to the issuance by the South Carolina Jobs-Economic Development Authority (the "Authority") of not exceeding Thirty-Five Million Dollars (\$35,000,000) principal amount of industrial revenue bonds (the "Bonds") to defray the cost of certain Pollution Control Facilities (as defined herein) and to enter into the transactions described in this Application, including but not limited to, the Applicant's possible issuance and deposit with a corporate trustee (the "Trustee") of its First Mortgage Bonds (the "Pledged First Mortgage Bonds") issued pursuant to Applicant's Indenture dated as of April 1, 1993, as supplemented (the "1993

Indenture"), between the Applicant and The Bank of New York Mellon Trust Company, N.A., successor to NationsBank of Georgia, National Association, as trustee (the "New Trustee"), as security for the Bonds.

## **3. BUSINESS**

Applicant is an electric utility operating in the State of South Carolina, serving the central, southern and southwestern portions of the State with electric service and furnishing natural gas service throughout its service territory which encompasses all or part of 35 of the 46 counties in South Carolina and covers more than 23,000 square miles.

#### **4. AMOUNT AND CHARACTER OF SECURITIES TO BE ISSUED**

##### **A. Terms of Bonds**

For the purposes hereinafter stated, the Applicant proposes to enter into the Loan Agreement with the Authority, pursuant to which the Authority will agree to issue and sell the Bonds pursuant to a Trust Indenture, in substantially the form attached hereto as Exhibit B (the "Indenture"), between the Authority and the Trustee, the terms for the Bonds generally described as follows:

Principal Amount:	\$35,000,000 (maximum) in one or more series
Issue Date:	On or before December 23, 2008
Interest Rate:	Market, may be subject to periodic reset
Maturity Date:	40-year maximum
Call and Redemption Features:	Market
Sinking Fund:	Market, but none required
Estimated Initial Offering Price:	Between 97% and 115% of par
Underwriting Discount:	1% (maximum) (expected range .5% to .75%)
Redemption Price:	Market-estimated to be not in excess of 103% of principal amount
Credit Ratings:	Moody's – A2; S&P – A-; Fitch – A+.

The interest rates on the Bonds may be reset daily, weekly, or for intermediate or extended periods, or may be fixed to maturity, all as selected from time to time by the Applicant. Interest paid on the Bonds will be excluded from gross income of the registered owners thereof for federal and South Carolina income tax purposes. Regardless of whether the

Bonds are issued at a variable rate of interest or an interest rate fixed for an intermediate or extended period of time or to maturity, at the time of initial issuance it is expected that the interest rate on the Bonds will not exceed 7.0%.

The Applicant, at each interest rate reset, subject to the requirements of the Indenture, may elect to reset the interest rate based upon the existing interest determination method, select a different reset period and interest rate determination method or fix the interest rate on the Bonds to maturity. Once the election is made to fix the interest rate on the Bonds to maturity, there will be no future interest rate resets or opportunities to convert the Bonds to a different interest rate or interest determination method. With the variety of interest rates and terms allowable under the Indenture, the Applicant will be in a position, if it does not select a fixed interest rate to maturity at the time of issuance of the Bonds, to manage, based upon market conditions, through the use of interest rate alternatives available, the interest cost of the borrowings until such time, if ever, when the Applicant determines market conditions are favorable to fix the interest rate on the Bonds to maturity.

Alternatively, the same economic effect may be accomplished through the use, from time to time, of interest rate swap instruments. The Applicant can take advantage of market conditions by entering into, modifying, amending, or terminating an interest rate swap to effectively change the stream of interest payments from fixed rate to floating rate or vice versa without effecting a conversion or refunding of the Bonds. The Bonds are expected to be sold in an underwritten public offering as described in an Official Statement, in substantially the form of the Preliminary Official Statement attached hereto as Exhibit C.

### B. Security

The Bonds may be sold on the general credit of the Applicant or as secured by a pledge to the Trustee of an equal principal amount of Pledged First Mortgage Bonds issued under the 1993 Indenture. If issued as security for the Bonds, the Pledged First Mortgage Bonds will be secured primarily by the lien of the 1993 Indenture upon substantially all of the electrical generation, transmission and distribution properties of the Applicant as described in the granting clauses of the 1993 Indenture. Pledged First Mortgage Bonds may be issued on the basis of unfunded property additions equal to ten-sevenths of the aggregate principal amount of such additional Pledged First Mortgage Bonds, retirement credits, or cash equal to the aggregate principal amount of such Pledged First Mortgage Bonds. The Bonds may also be secured by a bank letter of credit, in which event the Pledged First Mortgage Bonds may also secure Applicant's repayment obligation under the credit or reimbursement agreement under which the letter of credit is delivered.

### C. Net Earnings Test

In general, the issuance of Pledged First Mortgage Bonds under the 1993 Indenture is subject to adjusted net earnings of the Applicant for 12 consecutive months within the preceding 18 months being at least twice the annual interest requirements on mortgage securities at the time outstanding and the Pledged First Mortgage Bonds then to be issued.

### D. Maturity and Interest Rate of Pledged First Mortgage Bonds

The Applicant expects that the Pledged First Mortgage Bonds will have a maturity date which will coincide with the maturity of the Bonds and will bear interest at a rate not exceeding the interest rate in effect for the Bonds from time to time.

## **5. APPLICATION OF PROCEEDS AND COMPLIANCE WITH PSC ORDER NO. 91-72**

In compliance with the provisions of Order No. 91-72, dated January 18, 1991, Docket No. 91-032-E, Applicant submits the following required information.

- A. Identify the effect on the income statement and balance sheet of the proposed financing.  
See Exhibit D to Application with pro forma adjustments.
- B. Identify specifically how the funds obtained through the proposed financing are to be used by the Applicant.

The net proceeds from the sale of the Bonds will be loaned by the Authority to the Applicant pursuant to the Loan Agreement for the purpose of financing a portion of the costs to construct the Pollution Control Facilities and to reimburse prior advances made by Applicant for such purposes. Federal and State air emissions standards necessitate the addition of certain other equipment at the Plant to include but not be limited to, desulfurization equipment (wet scrubber) (the "Pollution Control Facilities") in connection with the operation of the Applicant's Wateree generating plant (the "Plant") located within Richland County. The Pollution Control Facilities will be capable of reducing sulfur dioxide ("SO<sub>2</sub>") emissions at the Plant by at least 95%. As a result of the Clean Air Act Amendments of 1990 and subsequent legislation, regulations and rules, the Environmental Protection Agency and the South Carolina Department of Health and Environmental Control require reduction of SO<sub>2</sub> emissions from coal-fired generating facilities.

- C. Provide information of the possible impact of the Company if the proposed financing is not approved or if approval is delayed.

This financing provides a portion of the funds to construct the Pollution Control Facilities. If the financing is not approved the Applicant may have to seek alternative financing at a higher interest rate, which would have an adverse impact on its customers. Similarly, if the approval is delayed the Applicant's access to available tax-exempt financing may be lost or delayed, which loss or delay of the lower interest rates on such tax-exempt financing would adversely affect customers.

- D. Specify the expected effective rate of interest of any debt financing (a range for the rate is appropriate). For common stock issues, provide information on the anticipated market price and book value per share at the time of issue.

The initial rate of interest for the Bonds is expected to not exceed 7.0%.

- E. Provide information on the expected benefits (example – savings expected from early debt retirement) and costs (example – issuance expenses) of the proposed financing. Provide any studies that were developed to identify these costs and benefits and the net result. (This could incorporate present value analysis of the costs/benefits.)

Identify the basic assumptions of any analyses of costs/benefits.

Interest rates on tax-exempt financing are lower than on taxable forms of bond financing, therefore resulting in a savings benefit. See Exhibit D. The present value of debt service savings generated by issuing tax-exempt financing versus taxable financing for a 40-year period, assuming the current market differential between the two forms of fixed rate financing of approximately 90 basis points, is estimated to range between \$4.4 million and \$5.0 million. Also, attached as Exhibit E is a schedule of estimated expenditures for construction of the Pollution Control Facilities. Equipment and improvements qualifying

for the tax-exempt financing represents only a portion of the total cost of the Pollution Control Facilities.

The total expenses of the proposed financing, including the underwriter's fee, are estimated not to exceed 1.5% of the principal amount of the Bonds to be issued.

- F. Identify the impact on the firm's capital structure of the proposed new financing.

See Exhibit D to the Application with pro forma adjustments.

## **6. TERMS OF ISSUANCE AND SALE AT MARKET**

Applicant may offer and sell one or more series of the Bonds from time to time when market conditions, in the judgment of Applicant, are favorable, in either of three ways:

- A. Underwriters or Dealers. If underwriters are utilized with respect to any series of the Bonds, Applicant proposes to sell such series pursuant to an appropriate bond purchase agreement to any underwriter or to a group of underwriters to be selected at the time of each such sale.
- B. Private Placement. Private placement to a limited number of purchasers or to a single purchaser, which will require an appropriate sales agreement with respect to such Bonds.
- C. Through Agents. If Applicant offers any series of the Bonds in a private placement or through agents to a limited number of purchasers or to a single purchaser, an appropriate sales agreement will be utilized with respect to such Bonds.

Negotiations at market with the purchaser or purchasers, to be concluded shortly before the offering of each series of the Bonds, will determine the interest rate to be borne by, the maturity date of, the initial offering price of, the price to be paid to the Applicant for, the call provisions of, any underwriting or purchase discount (i.e., the difference between the initial offering price and the price paid by the purchaser underwriter to Applicant) with respect to, and

the redemption prices of, each series of the Bonds. In addition, the Bonds may be resold subject to the periodic reset of the interest rate therein for varying periods. Based on market conditions, Applicant believes that the initial offering price and any remarketing price usually will not be less than 97% nor more than 115% of the principal amount of such series of Bonds, that any underwriting discount will not exceed 1% of the principal amount of such series of the Bonds, and that the initial regular redemption price, if any, will not exceed 103% of the principal amount of such series of the Bonds. Applicant requests that it be authorized to negotiate, in its judgment, the most favorable initial interest rate or interest rate determination method and terms obtainable on the date each series of the Bonds is sold including, if appropriate, terms, prices and redemption provisions.

## **7. FINANCIAL CONDITION**

Attached hereto as Exhibit F and made a part hereof are a Balance Sheet of the Applicant as of June 30, 2008, and an Income Statement of the Applicant for the six months ended June 30, 2008.

When the Loan Agreement has been executed, a copy of the executed document will be filed with the Commission as a supplemental Exhibit in this proceeding.

WHEREFORE, Applicant prays that the Commission make such investigation as it may deem necessary in accordance with law and:

- (1) Grant Applicant a Certificate of Authority stating (a) that the issuance of up to Thirty-Five Million Dollars (\$35,000,000) of Bonds, and the borrowing the proceeds thereof the Applicant, are reasonably necessary to the financing of the construction herein described and (b) that the value of the Pollution Control

Facilities will be equal to or in excess of the amount of loan proceeds to be applied for that purpose;

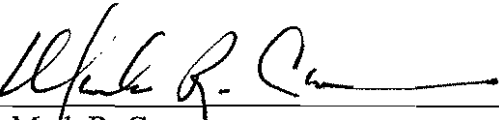

- (2) Authorize and approve the terms and conditions of and authorize Applicant to execute and deliver the Loan Agreement in connection therewith;
- (3) Authorize Applicant to issue and deposit with the Trustee as security for the Applicant's obligations under the Loan Agreement and any letter of credit reimbursement agreement not exceeding Thirty-Five Million Dollars (\$35,000,000) aggregate principal amount of Pledged First Mortgage Bonds;
- (4) Authorize the execution and delivery of a bond purchase or sales agreement with respect to the issuance of the Bonds;
- (5) Authorize the negotiation and execution and delivery from time to time by Applicant of letter of credit reimbursement agreements with respect to the Bonds, providing for the delivery of bank letters of credit to enhance the marketability of the Bonds;
- (6) Enter into, amend, modify and terminate, from time to time, such interest rate swap transactions with respect to the Bonds as Applicant shall determine to be advisable;
- (7) Periodically reset the interest rate term and determination method with respect to the Bonds pursuant to the terms of the Indenture;
- (8) Authorize and empower Applicant to negotiate the terms of the transaction as described herein and to make such changes in the instruments filed as exhibits hereto and to negotiate and to enter into other related or supplemental agreements as are reasonably necessary, including, but not limited to, changes in the dates of

the documents described herein, to consummate the transactions described herein or hereafter to maintain or preserve such transactions. Applicant proposes to file with the Commission conformed copies of the instruments in the final form in which they are executed; and

- (9) Grant such other and further relief as may be appropriate in the circumstances.

## **LOAN AGREEMENT**

This Loan Agreement, dated as of \_\_\_\_\_ 1, 2008, is by and between the **SOUTH CAROLINA JOBS-ECONOMIC DEVELOPMENT AUTHORITY**, a public body corporate and politic and an agency of the State of South Carolina (the "Issuer"), and **SOUTH CAROLINA ELECTRIC & GAS COMPANY**, a South Carolina corporation (together with its successors and assigns, the "Borrower").

### **PRELIMINARY STATEMENT**

The Borrower proposes to finance the acquisition, by construction and purchase, of solid waste control facilities at its Wateree Electric Generating Station, including but not limited to, the projects described in Exhibit A hereto (the "Project").

The Issuer is authorized under and pursuant to the provisions of Title 41, Chapter 43, Code of Laws of South Carolina 1976, as amended (the "Act"), to issue revenue bonds and to enter into agreements securing such bonds to provide funds for any program authorized under the Act and to loan the proceeds to eligible business enterprises to be used to acquire, by construction or purchase, land, buildings or other improvements thereon, machinery, equipment, office furnishings or other depreciable assets, or for research and design costs, legal and accounting fees, or other expenses in connection with the acquisition, construction and financing thereof.

In order to accomplish the foregoing, the Issuer proposes to issue its \$[35,000,000] principal amount Industrial Revenue Bonds (South Carolina Electric & Gas Company Project), Series 2008 (the "Bonds"), the proceeds of which will be used, together with other available funds, to finance a portion of the cost of the Project and pay a portion of the costs of issuance of the Bonds. Concurrently with the issuance of the Bonds, the Borrower will deposit with the Bond Trustee its First Mortgage Bonds, 2008 Deposited Series, bearing interest at the [same rates][maximum rate on the Bonds] and maturing on the same date as the Bonds (the "Deposited Bonds"), in the initial principal amount of \$[35,000,000], issued under the 1993 Indenture (as such term is defined in the Bond Indenture) as security for the Bonds.

The Issuer is issuing the Bonds pursuant to its powers under the provisions of the Act and in accordance with the provisions of a bond resolution adopted by the Board of Directors of the Issuer pursuant to the Act on \_\_\_\_\_, 2008 (the "Bond Resolution"). The Bonds will be issued under and secured by a Bond Trust Indenture dated of even date herewith (the "Bond Indenture"), from the Issuer to \_\_\_\_\_, as Bond Trustee (the "Bond Trustee"). Pursuant to the Bond Indenture the Issuer will assign its rights hereunder (other than Unassigned Rights (as such term is defined in the Bond Indenture)) as security for the Bonds. The Bonds will be payable by the Issuer solely out of the payments to be made by the Borrower under this Loan Agreement and pursuant to the Deposited Bonds.

In consideration of the issuance of the Bonds by the Issuer and other valuable consideration, the receipt of which is hereby acknowledged, and in order to secure the payment of the principal of and interest on the Bonds and the performance of the covenants of the Borrower contained herein, the Issuer and the Borrower hereby covenant and agree as follows:

## ARTICLE III

### THE LOAN

Section 3.01 Issuance of the Bonds to Fund Loan; Making of the Loan. Simultaneously with the delivery of this Agreement, the Issuer shall issue and deliver the Bonds to provide it with funds to be loaned to the Borrower pursuant to this Agreement. The Bonds shall be issued in accordance with the Trust Indenture. The Borrower's approval of the terms of the Bonds and the Trust Indenture, including any obligations imposed on the Borrower by either of them, shall be conclusively established by its execution and delivery of this Agreement.

Upon the terms and conditions of this Agreement, the Issuer hereby makes a loan to the Borrower in the principal amount of [35,000,000], the same being the principal amount of the Bonds. The Loan shall be deemed to have been made when the proceeds of the sale of the Bonds are delivered to the Bond Trustee. The proceeds of the Loan shall be used, together with other available funds, to (i) pay, and reimburse the Borrower for paying, a portion of the Cost of the Project and (ii) pay certain expenses incurred in connection with the authorization and issuance of the Bonds. For the purposes of this Agreement, the amount of any underwriter's discount on the Bonds shall be deemed to have been loaned to the Borrower.

The Borrower hereby accepts the Loan and as evidence of its obligation to repay the same shall deliver to the Issuer herewith the Note. The Borrower shall repay the Loan in accordance with the provisions of the Note and this Agreement. The Borrower acknowledges that the proceeds of the Loan will be delivered to the Bond Trustee and applied on behalf of the Borrower in accordance with this Agreement and the Trust Indenture. The Borrower covenants to deposit and maintain on deposit with the Bond Trustee, Deposited Bonds in principal amounts and bearing interest at the same rate and maturing on the same date and in the same year as the Bonds issued under the Bond Indenture.

Section 3.02 Total Required Payments. The Borrower shall make Total Required Payments under this Agreement when due.

The Borrower's obligation to make the Total Required Payments and to satisfy any other financial liabilities incurred under this Agreement shall be a direct, general and unconditional obligation of the Borrower.

Required Payments under the Agreement pursuant to Section 3.04 shall be made by the Borrower directly to the persons, firms, governmental agencies and other entities entitled to such payments.

Neither the Issuer nor the Bond Trustee is required to give the Borrower notice of any date upon which any of the Total Required Payments is due. Nothing in this Section 3.02 shall require the Borrower to pay the costs and expenses set forth in Section 3.04, except the fees and expenses of the Issuer to the extent provided below, so long as the validity of such costs or expenses, or the reasonableness thereof, shall be contested in good faith and the Borrower shall have delivered to the Bond Trustee an Opinion of Counsel acceptable to the Bond Trustee to the effect that such contest does not jeopardize the interests of the Issuer, the Bond Trustee or the

Holders; otherwise the Borrower shall pay such costs and expenses to the end that, in the opinion of such counsel, the interests of the Issuer, the Bond Trustee or the Holders are not jeopardized. If the Opinion of Counsel mentioned in the preceding sentence is not acceptable, the Bond Trustee shall so notify the Issuer and the Borrower within five days of its receipt thereof, after which a subsequent Opinion of Counsel may be furnished. If the content of such subsequent Opinion of Counsel is not acceptable to the Bond Trustee, the Borrower shall pay such costs and expenses. Notwithstanding anything in this paragraph to the contrary, the Borrower agrees that it will continue to pay such fees and expenses of the Issuer pending the resolution of any contest with respect to the validity or the reasonableness thereof.

If, after giving effect to the credits specified in Section 502 of the Trust Indenture, any installment of Total Required Payments should be insufficient to enable the Bond Trustee to make the deposits specified in Section 502 of the Trust Indenture, the Borrower shall increase each future installment of the Total Required Payments as may be necessary to make up any previous deficiency.

All of the Total Required Payments shall be made in any coin or currency of the United States of America that is legal tender for the payment of public and private debts at the time each of the Total Required Payments is made.

Each installment shall be deemed to be a Loan Repayment and shall be paid at the times and in the amounts set forth below. Loan Repayments shall be sufficient in the aggregate to repay the Loan, together with interest thereon and to pay in full, when due (whether by maturity, redemption, acceleration or otherwise), all Bonds, together with the total interest thereon. The obligation of the Borrower to make any payment hereunder shall be deemed satisfied and discharged to the extent of the corresponding payment made by the Bank under the Credit Facility.

The Loan Repayments shall be due and payable as follows:

(a) while the Bonds bear interest at a Daily Interest Rate, a Weekly Interest Rate or Bond Interest Term Rate, on each Interest Payment Date, and while the Bonds bear interest at a Long-Term Interest Rate, on the 25th day of the month preceding each Interest Payment Date, to the Bond Trustee, for deposit to the credit of the Interest Account, an amount equal to the interest due on the Outstanding Bonds on such Interest Payment Date, less any applicable credit under Section 502 of the Trust Indenture; provided, however, that if the interest rate on the Bonds is subject to adjustment pursuant to Section 205 of the Trust Indenture after the date of such required deposit, interest on the Bonds accruing from such adjustment date shall be assumed to accrue at the Ceiling Rate; and provided further, however, that if a Credit Facility is in effect, no payment shall be due under this paragraph until such Interest Payment Date;

(b) on \_\_\_\_\_, to the Bond Trustee for deposit in the Principal Account, the amount required to be paid at maturity of the Bonds on such \_\_\_\_\_;

(c) to the Bond Trustee, for deposit in the Interest Account, on or before the date(s) payment thereof is required to be made by the Bond Trustee, any amounts that may from time to

time be required to enable the Bond Trustee to pay the accrued interest on Bonds purchased or redeemed from money in the Redemption Fund in accordance with Section 505 of the Trust Indenture; and

(d) to the Bond Trustee, for deposit in the Redemption Fund, on or before the date(s) payment thereof is required to be made by the Bond Trustee, any amount that may, from time to time, be required to enable the Bond Trustee to pay principal of the Bonds and any redemption premiums as and when Bonds are called for redemption.

Each Loan Repayment as set forth in this Section 3.03 shall be equal to the sum of the amounts specified above in paragraphs (a) to (d), inclusive.

On the Interest Payment Date following a date on which the Borrower shall have failed to pay to the Bond Trustee the amount due as a Loan Repayment or on which an investment loss shall have been charged to the Bond Fund or any account therein in accordance with Section 602 of the Trust Indenture, the Borrower shall pay, in addition to the Loan Repayment then due, an amount equal to the deficiency in payment or the amount of such loss. To the extent that the investment earnings are transferred or credited to the Bond Fund or any account therein in accordance with Articles V or VI of the Trust Indenture or amounts are transferred or credited to such Fund or accounts as a result of the application of Bond proceeds or a transfer of surplus funds from the Project Fund or otherwise, future Loan Repayments shall be proportionately reduced by the amount so credited unless such transfer is made to cure deficiencies in the fund or account to which the transfer is made.

The Borrower may prepay all or any part of the Loan at the times and in the manner provided in Article VII of this Agreement.

#### Section 3.04 Required Payments under the Agreement.

(a) The Borrower shall also pay, when due and payable, as Required Payments under the Agreement, certain costs and expenses, exclusive of costs and expenses payable from the proceeds of the Bonds and investment earnings thereon, as follows:

(i) to the Tender Agent, such amounts as shall be necessary to enable the Tender Agent to pay the purchase price of any Bonds tendered or deemed tendered for purchase on the date such Bonds are required to be purchased; provided, however, that the obligation of the Borrower to make any payment of purchase price of any Bonds tendered or deemed tendered for purchase shall be deemed to be satisfied and discharged to the extent of any moneys described in clauses (i) and (ii) of Section 1303(b) of the Trust Indenture that are furnished to the Tender Agent;

(ii) the fees and other costs payable to the Bond Trustee, the Tender Agent and the Remarketing Agent;

(iii) all costs incurred in connection with the purchase or redemption of Bonds to the extent money is not otherwise available therefor;

(iv) the fees and other costs incurred for services of such attorneys, management consultants, insurance consultants and accountants as are employed to make examinations, provide services, render opinions or prepare reports required under this Agreement, the Remarketing Agreement, the Trust Indenture, the Tender Agreement, a Liquidity Facility or a Credit Facility Provider Agreement;

(v) all costs incurred by the or the Bond Trustee in connection with the discontinuation of or withdrawal from any book-entry system for the Bonds or any transfer from one book-entry system to another including, without limitation, the printing and issuance of additional or substitute Bonds in connection with such withdrawal, discontinuance or transfer;

(vi) reasonable fees and other costs incurred by the Issuer in connection with its administration and enforcement and compliance with this Agreement or the Trust Indenture, including, but not limited to reasonable attorneys' fees;

(vii) fees and other costs incurred in connection with the remarketing of the Bonds;

(viii) the fees and other costs payable to the Bond Insurer; and

The Required Payments under the Agreement as set forth in this Section 3.04(a), if any, shall be equal to the sum of the amounts specified in clauses (i) to (ix), inclusive.

The Borrower further agrees to pay all costs incurred by the Issuer in connection with the filing of Form 8038-T with respect to the Bonds. The obligation of the Borrower to make such payment shall survive the termination of this Agreement.

Section 3.05 Loan Payments as Trust Funds. All Loan Payments shall be and constitute trust funds, whether held by the Bond Trustee or any bank or trust company designated for such purpose, and shall continue to be impressed with a trust until such money is applied in the manner provided in the Trust Indenture.

The Borrower may at any time give to the Bond Trustee written or oral directions respecting the investment of any money held in any of the funds or accounts established under the Trust Indenture, subject, however, to the provisions of Article VI of the Trust Indenture. The Bond Trustee may request, orally or in writing, direction or authorization of the Borrower with respect to the proposed investment of money under the provisions of the Trust Indenture. Upon receipt of such request, accompanied by a memorandum setting forth the details of any proposed investment, the Borrower shall either approve such proposed investment or shall give written or oral directions to the Bond Trustee respecting the investment of such money.

Section 3.06 No Set-Off. The obligation of the Borrower to make the Loan Repayments, all Required Payments under the Agreement and all payments under the Note and to perform and observe the other agreements contained in this Agreement shall be absolute and unconditional. The Borrower will pay without abatement, diminution or deduction (whether for taxes or otherwise) all such amounts regardless of any cause or circumstance whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim that the Borrower may have or assert against the Issuer or the Bond Trustee or any other person.

Simultaneously with the delivery of this Agreement, the Issuer shall pledge and assign to the Bond Trustee as security for the Bonds all of the Issuer's right, title and interest in and to the Note and this Agreement (except for those certain rights under this Agreement that are set forth in the granting clauses of the Trust Indenture). The Borrower hereby consents to such pledge and assignment and agrees that the Bond Trustee may enforce any and all rights, privileges and remedies of the Issuer under or with respect to the Note and this Agreement, including those rights reserved by the Issuer.

(b) To make a prepayment pursuant to this Section 7.01, the Borrower shall give written notice to the Issuer and the Bond Trustee which shall specify therein (i) the date of the intended prepayment of the Loan, which shall not be less than 35 nor more than 60 days from the date the notice is mailed, and (ii) the aggregate principal amount of the Bonds to be purchased, redeemed or paid at maturity and the date or dates on which the purchase, redemption or payment is to occur.

Section 7.02 Extraordinary Prepayment. The Borrower shall have the option to prepay (a) in whole or in part, from amounts received by the Borrower as insurance proceeds (except from a draw on the Credit Facility if a Credit Facility is in effect) with respect to any casualty loss or failure of title or condemnation awards, upon damage to or destruction of all or any part of the Project constituting land, buildings or equipment by fire or casualty or loss of title to or use of all or any part of the Project as a result of the failure of title or as a result of eminent domain proceedings or proceedings in lieu thereof (if such damage, destruction, loss of title or loss of use causes such Project to be impracticable to operate for a period of at least six months); (b) in whole, upon changes in the Constitution of the United States of America or of the State or of legislative or administrative action, or failure of administrative action by the United States or the State or any agency or political subdivision of either, or by reason of any judicial decision to such extent that, in the opinion of the board of directors of the Borrower and an independent management consultant, (i) the Agreement is impossible to perform without unreasonable delay or (ii) unreasonable burdens or excessive liabilities not being imposed as of the date of the Agreement are imposed on the Borrower; or (c) in whole, in the event changes, which the Borrower cannot reasonably control, in the economic availability of materials, supplies, labor, equipment, or other properties or things necessary for the efficient operation of the Project shall have occurred, which in the judgment of the Borrower, render the continued operation of the Project uneconomical; or changes in circumstances, after issuance of the Bonds, including but not limited to changes in solid waste abatement, control and disposal requirements, shall have occurred such that the Borrower shall determine use of the Project is no longer required or desirable.

This Section 7.02 shall not be construed to prohibit the Borrower from applying insurance proceeds with respect to any casualty loss or condemnation awards or payments in lieu thereof in any manner permitted by Section 5.06 hereof, including to the optional prepayment of the Loan in accordance with the provisions of Section 7.01 of this Agreement.

Section 7.03 Notice and Right of Revocation.

(a) To make a prepayment pursuant to Section 7.01 or 7.02, the Borrower shall give written notice to the Bond Trustee which shall specify therein (i) the date of the intended prepayment of the Loan, which shall be not less than ten days (or such shorter number of days as may be acceptable to the Bond Trustee) from the date the notice is mailed, (ii) the aggregate principal amount of the Bonds to be purchased, redeemed or paid at maturity and the date or dates on which such purchase, redemption or payment is to occur, and which shall include such certificates or opinions as are required by paragraphs (a) or (b) of Section 7.02 and (iii) the maturity or maturities of the Bonds to be purchased, redeemed or paid.

(b) The Borrower shall have the right to condition any notice of prepayment pursuant to Section 7.01 or Section 7.02 that is given pursuant to this Section 7.03 in the same manner provided for redemption notices in Section 303(b) of the Trust Indenture. If a Conditional Redemption does not occur for either of the reasons permitted under Section 303(b) of the Trust Indenture, the corresponding notice of prepayment given pursuant to this Section 7.03 shall be deemed to be revoked.

## ARTICLE VIII

### INDEMNIFICATION AND NON-LIABILITY OF THE ISSUER AND THE BOND TRUSTEE

Section 8.01 General. The Borrower releases the Issuer, the Bond Trustee and their respective directors, members, officers, agents, and employees as such, past, present and future (collectively "officials and employees"), from, agrees that the Issuer, the Bond Trustee and their respective officials and employees will not be liable for, and agrees that it will at all times indemnify and hold harmless the Issuer, the Bond Trustee and their respective officials and employees against and pay all reasonable expenses of the Issuer, the Bond Trustee and their respective officials and employees relating to, claims made against the Issuer, or the Bond Trustee or any official or employee of the Issuer, or the Bond Trustee or resulting from, arising out of or in connection with (a) loss or damage to property or death or injury to any person, arising during the term of this Agreement that may be occasioned by any cause pertaining to the construction or use by the Borrower of the Project, and any liabilities or losses resulting from violations by the Borrower of conditions, agreements, and requirements of law affecting the Project or the ownership, occupancy or use thereof; (b) any breach or default on the part of the Borrower in the performance of any covenant or agreement of the Borrower under this Agreement, or arising from any act or failure to act by the Borrower or any of its agents, contractors, servants, employees or licensees; (c) the authorization, issuance and sale of the Bonds, or the execution and performance by the Borrower or the enforcement against the Borrower, the Issuer, the Bond Trustee or their respective employees and officials of this Agreement or the Indenture (unless as a result of the negligence or willful misconduct of the Issuer or the Bond Trustee and their respective officials and employee; (d) the provision of any information or certification by the Borrower furnished in connection therewith concerning the Bonds, the Project or the Borrower (including, without limitation, any information furnished by the Borrower) for inclusion in, or as a basis for preparation of, any material used in connection with the sale of the Bonds, including without limitation, the Tax Agreement, to assure the exclusion of the interest on the Bonds from the gross income of the holders for federal income tax purposes; or (e) any claim, action or proceeding brought against the Issuer, the Bond Trustee or their respective directors, officers or employees with respect to any matter set forth in clause (a), (b), (c) or (d) above.

In case any action shall be brought against the Issuer, or the Bond Trustee in respect of which indemnity may be sought against the Borrower, then the Issuer, or the Borrower, as the case may be, shall promptly notify the Borrower in writing. Failure to notify the Borrower shall not relieve it from any liability that it may have other than on account of this Agreement. The Borrower shall have the right to assume the investigation and defense of such action, including the employment of counsel, which counsel shall be satisfactory to the indemnified parties, and the payment of all expenses. The Issuer and shall have the right to employ separate counsel in any such action and participate in the investigation and defense thereof, and the reasonable fees and expenses (as limited by this Agreement) of such counsel shall be paid by the Borrower. The Bond Trustee shall have the right to employ separate counsel in any such action and participate in the investigation and defense thereof, but the fees and expenses of such counsel shall be paid by the Bond Trustee unless the employment of such counsel has been authorized by the Borrower or the Bond Trustee has reasonably objected to a joint defense by the Borrower on the

ground that there may be legal defenses available to it that are different from or in addition to those available to the Borrower, in which case the Bond Trustee shall have the right to designate and retain separate counsel in such action and the reasonable fees and expenses of such counsel shall be paid by the Borrower. If no reasonable objection is made and the Borrower assumes the defense of such action, the Borrower shall not be liable for the fees and expenses of any counsel for the Bond Trustee incurred thereafter in connection with such action. In no event shall the Borrower be liable for the fees and expenses of more than one counsel for the Bond Trustee in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, unless the retaining of additional counsel has been specifically authorized by the Borrower. Provisions referring to reasonable fees and compensation shall not necessarily mean statutory fees and compensation, but shall mean what is reasonable under the given circumstances.

The Issuer or the Bond Trustee, as the case may be, shall reimburse the Borrower for payments made by the Borrower pursuant to this Section 8.01 to the extent of any proceeds, net of all expenses of collection, actually received by the Issuer or the Bond Trustee from any insurance covering such claims with respect to the losses sustained. The Issuer and the Bond Trustee shall have the duty to claim any such insurance proceeds and the Issuer and the Bond Trustee shall assign their respective rights to such proceeds, to the extent of such required reimbursement, to the Borrower.

Notwithstanding anything in this Section 8.01 to the contrary, the Borrower shall not be liable for any losses or claims of the Bond Trustee resulting from the negligent act of or negligent failure to take action by the Bond Trustee.

Section 8.02 Payment of Costs upon Default. The Borrower shall pay, and shall indemnify the Issuer and the Bond Trustee against, all costs and charges, including reasonable counsel fees (as limited by this Agreement), lawfully and reasonably incurred in enforcing any covenant or agreement of the Borrower contained in this Agreement.

## **ARTICLE IX**

### **TERMINATION OF AGREEMENT**

Section 9.01 Termination of Agreement. When the Bond Trustee certifies to the Issuer that all Bonds have been paid or defeased in accordance with Section 1201 of the Trust Indenture and that all other obligations incurred by the Issuer and the Borrower under the Trust Indenture, this Agreement and the Note have been paid or that sufficient money or Defeasance Obligations, for such payment are held in trust by the Bond Trustee for such purposes, this Agreement shall terminate and the Bond Trustee shall contemporaneously cancel the Note and shall deliver the same to the Borrower.

In the event the Issuer should fail to perform any of its obligations under this Agreement, the Borrower may institute such action against the Issuer as the Borrower may deem necessary to compel performance; provided, however, that no such action shall seek to impose, or impose, any pecuniary liability upon the Issuer, or any personal or pecuniary liability upon any member, officer or employee thereof, except in the case of willful misconduct.

Section 10.07 Consents and Approvals. Whenever the written consent or approval of the Issuer, the Borrower, or the Bond Trustee shall be required under the provisions of this Agreement, such consent or approval shall not be unreasonably withheld or delayed. Unless otherwise specified herein, consents of the Issuer shall be executed and delivered on behalf of the Issuer by the Issuer Representative and consents of the Borrower shall be executed and delivered on behalf of the Borrower by the Borrower Representative.

**Section 10.16 Confidential Information.** Nothing contained in this Agreement will require the Borrower to disclose or permit the Issuer, the Bond Trustee or others to acquire any access to trade secrets of the Borrower or any other confidential processes, techniques or information.

**Section 10.17. Extent of Covenants of the Issuer; No Personal Liability.** To the extent permitted by law, no recourse shall be had for the enforcement of any obligation, promise or agreement of the Issuer contained herein or in the Bond Indenture, or for any claim based hereon or thereon or otherwise in respect hereof or thereof against the Issuer, any member, director, officer, agent, attorney or employee, as such, in his/her individual capacity, past, present or future, of the Issuer, or of any successor entity, either directly or through the Issuer, or any successor entity, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever shall attach to, or be incurred by, any member, director, officer, agent, attorney or employee, as such, in his/her individual capacity, past, present or future, of the Issuer, or of any successor entity, either directly or

through the Issuer or any successor entity, under or by reason of any of the obligations, promises or agreements entered into between the Issuer and the Borrower, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such member, director, officer, agent, attorney or employee is, by the execution of this Agreement and as a condition of, and as part of the consideration for, the execution of this Agreement, expressly waived and released.

Notwithstanding any other provision of this Agreement, the Issuer shall not be liable to the Borrower or the Bond Trustee or any other person for any failure of the Issuer to take action under this Agreement unless the Issuer (a) is requested in writing by an appropriate person to take such action, (b) is assured of payment of, or reimbursement for, any reasonable expenses in such action, and (c) is afforded, under the existing circumstances, a reasonable period to take such action. In acting under this Agreement, or in refraining from acting under this Agreement, the Issuer may conclusively rely on the advice of its counsel.

Section 10.18. No Liability of Issuer; No Charge Against Issuer's Credit. The Bonds shall be limited obligations of the Issuer, the principal, premium, if any, and interest on which shall be payable by the Issuer solely out of the revenues derived by the Issuer pursuant to this Agreement and other funds expressly pledged under the Bond Indenture, which revenues constitute an indebtedness payable only from a revenue-producing project or special source within the meaning of Article X, Section 13(9) of the Constitution of the State, which source does not include revenues from any tax or license. The Bonds, the purchase price thereof, and the interest and any premium thereon do not and shall never constitute a general obligation or indebtedness of the Issuer or of the State within the meaning of any state constitutional provision (other than Article X, Section 13(9) of the State Constitution authorizing indebtedness payable solely from a source of revenues derived other than from a tax or license) or statutory limitation and do not and shall never constitute or give rise to a pecuniary liability of the Issuer or State or a charge against the general credit of the Issuer or the State or against the taxing power of the State. The Issuer does not have taxing power. The principal premium, if any, and interest on the Bonds shall be secured by the Issuer solely by the aforesaid revenues; by the pledge to the Bond Trustee made under the Bond Indenture of said revenues and of certain accounts established under the Bond Indenture; and by the assignment by the Issuer of its rights under this Agreement, except for Unassigned Rights (as defined in the Bond Indenture).

No breach by the Issuer of this Agreement or the Bonds or of any provision or condition hereof or in the Bonds shall result in the imposition of any pecuniary liability upon the Issuer or the State or any charge upon the general credit of the Issuer or the State or upon the taxing power of the State. The liability of the Issuer under this Agreement and the Bonds, or any provision or condition hereof or thereof, shall be limited solely and exclusively to the revenues derived by the Issuer from the Borrower under this Agreement. The Issuer shall not be required to execute or perform any of its duties, obligations, powers, or covenants hereunder or under the Bonds except to the extent that revenues are available therefor. The Issuer may require, as a condition to the participation by it with the Borrower in obtaining any license, permit or other approvals, a deposit by the Borrower of such amount as determined by the Issuer to be reasonable to assure the reimbursement to the Issuer of the costs incurred by it in such participation, with any amount of such deposit in excess of such costs to be returned to the Borrower.

No covenant, agreement, or obligation contained in this Agreement or in the Bonds shall be deemed to be a covenant, agreement, or obligation of any present or future director, member, officer, employee, or agent of the Issuer in their individual capacity, and neither the members of the Issuer nor any officer thereof executing this Agreement or the Bonds shall be liable personally on the Bonds or under this Agreement or be subject to any personal liability or accountability by reason of the issuance, execution, or delivery of the Bonds. No officer, director, member, employee, or agent of the Issuer shall incur any personal liability with respect to any other action taken, or not taken, by them pursuant to Agreement, the Bond Indenture or the Act, provided they do not act with malicious intent.

The provisions of this Section 10.18 shall control every other provision of this Agreement, anything to the contrary notwithstanding.

\_\_\_\_\_ 2008

FOR VALUE RECEIVED, South Carolina Electric & Gas Company, a corporation existing under and by virtue of the laws of the State of South Carolina (together with its successors and assigns, the "Borrower"), promises to pay the South Carolina Jobs-Economic Development Authority (the "Issuer"), or order, the principal sum of THIRTY FIVE MILLION DOLLARS ([35,000,000]) together with (a) interest thereon at such rate or rates as in the aggregate will produce an amount equal to the total of all interest becoming due and payable on the South Carolina Jobs-Economic Development Authority Industrial Revenue Bonds (South Carolina Electric & Gas Company Project) Series 2008 (the "Bonds"), in the aggregate principal amount of [35,000,000] issued pursuant to a Trust Indenture, dated as of \_\_\_\_\_ 1, 2008, between the Issuer and \_\_\_\_\_, Bond Trustee (the "Trust Indenture"), which is incorporated herein by reference and made a part hereof, and (b) such other amounts as are required to be paid by the Borrower to the Issuer as part of the Loan Repayments as provided in the Loan Agreement, dated as of \_\_\_\_\_ 1, 2008, between the Borrower and the Issuer (the "Agreement"), which is incorporated herein by reference and made a part hereof.

The foregoing amounts shall be paid by means of the Loan Repayments which shall be due and payable as provided below. The respective Loan Repayments shall be in amounts equal to the sum of the following (less any credits to which the Borrower may be entitled under the Agreement):

(a) to the credit of the Interest Account, on each Interest Payment Date, at such time as will enable the Bond Trustee to make the payment of interest required by the Trust Indenture, that amount which shall be equal to the interest payable on the Bonds on such Interest Payment Date;

The Borrower shall have the option to make advance payments of Loan Repayments from time to time, which advance payments shall be deposited by the Bond Trustee in the Redemption Fund established by the Trust Indenture and shall be used as provided in the Agreement and the Trust Indenture.

If the Borrower should default in the payment of any installment due under this Note or if any one or more of the events of default specified in the Agreement should occur, and if any such default is not remedied as provided in the Agreement, the Issuer then, or at any time thereafter, may give notice to the Borrower declaring all unpaid amounts of this Note then outstanding, together with all other unpaid amounts outstanding under the Agreement, to be immediately due and payable, and thereupon, without further notice or demand, all such amounts shall become and be immediately due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise the same at any time in the event of any continuing or subsequent default. In the event of default in the payment of this Note, the undersigned hereby agrees to pay all costs incurred in connection with the collection of the amounts then due thereon, including reasonable attorneys' fees (as determined pursuant to Section 10.12 of the Agreement).

## ARTICLE II

### THE BONDS

Section 201. Limitation on Issuance of Bonds. No Bonds may be issued under the provisions of this Trust Indenture except in accordance with the provisions of this Article. The Bonds shall be limited to [35,000,000] in aggregate principal amount. No additional bonds or other indebtedness of the Issuer shall be issued under this Trust Indenture.

Section 202. Form and Numbering of Bonds. The Bonds are issuable in fully registered form in Authorized Denominations. The Bonds shall be substantially in the form set forth in Exhibit A hereto, with such appropriate variations, omissions and insertions as may be necessary or appropriate to conform to the provisions of this Trust Indenture and may be in typewritten, printed, engraved or lithographed form. All Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or of any securities exchange on which the Bonds may be listed or any usage or requirement of law with respect thereto, including the imposition of CUSIP or other identifying numbers.

Section 203. General Terms of the Bonds. The Bonds shall be dated the Closing Date, shall bear interest until their payment, such interest to the maturity thereof being payable on each Interest Payment Date, and shall be stated to mature (subject to the right of prior redemption), on \_\_\_\_\_. The Bonds shall be designated "South Carolina Jobs-Economic Development Authority Industrial Revenue Bonds (South Carolina Electric & Gas Company Project) Series 2008."

Each Bond shall bear interest from the Interest Payment Date immediately preceding the date of authentication thereof, or, if such date of authentication shall be an Interest Payment Date to which interest on the Bonds has been paid in full or duly provided for or the Closing Date, from such date of authentication; provided, however, that if, at the time of authentication of any Bond, interest on such Bond shall be in default, such Bond shall bear interest from the date to which interest has previously been paid or, if no interest has been paid, from the Closing Date.

The Bonds shall be executed with the manual or facsimile signature of the \_\_\_\_\_ of the Issuer with the seal of the Issuer impressed thereon.

In case any officer whose signature or a facsimile of whose signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if such person had remained in office until such delivery, and also any Bonds may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bonds shall be the proper officers to sign such Bonds although at the date of such Bonds such persons may not have been such officers.

The principal and purchase price of, redemption premium, if any, and the interest on the Bonds shall be payable in lawful money of the United States of America. Such payment of interest shall be payable in the manner provided for in Section 205(k) hereof. The principal of and any premium on all Bonds shall be payable at the Principal Office. Payment of the principal of and any premium on all Bonds shall be made upon the presentation and surrender of such Bonds as the same shall become due and payable. Such payment of principal and any premium will be by check; provided, however, that the principal and any premium with respect to the Bonds will be paid by wire transfer (to an account in the continental United States) of immediately available funds to any Holder of at least \$1,000,000 in aggregate principal amount of Bonds Outstanding, at such Holder's option, in each case according to wire instructions given to the Bond Trustee in writing for such purpose.

Interest on any Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Bond is registered at the close of business on the Regular Record Date.

While the Securities Depository Nominee is the Holder of the Bonds, notwithstanding the provisions hereinabove and hereinafter contained, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made in accordance with existing arrangements between the Bond Trustee or its successors under this Trust Indenture and the Securities Depository.

Any interest on any Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date solely by virtue of such Holder having been such Holder (except that if the Bond Insurer has paid the Holder for the Defaulted Interest under the Bond Insurance Policy, then in such case the Defaulted Interest due hereunder shall be payable to the Bond Insurer and does not accrue to or for the benefit of the Holder); and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in subsection A or B below:

A. The Issuer may elect to make payment of any Defaulted Interest on the Bonds to the Persons in whose names such Bonds (or their respective Predecessor Bonds) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Bond Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be such as will enable the Bond Trustee to comply with the next sentence hereof), and at the same time the Issuer shall deposit or cause to be deposited with the Bond Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Bond Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as provided in this subsection. Thereupon the Bond Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than ten days prior to the date of the proposed payment and not less than ten days after the receipt by the Bond Trustee of the notice of the proposed payment. The Bond Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Borrower, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed first-class, postage prepaid, to each Holder of Bonds at his address as it appears in the Register maintained under Section 209 hereof not less than ten days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Bonds (or their respective Predecessor Bonds) are registered on such Special Record Date and shall no longer be payable pursuant to the following subsection B.

B. The Issuer may make payment of any Defaulted Interest on the Bonds in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Bonds may be listed and upon such notice as may be required by such exchange, if, after

notice given by the Issuer to the Bond Trustee of the proposed payment pursuant to this subsection, such payment shall be deemed practicable by the Bond Trustee.

Subject to the foregoing provisions of this Section, each Bond delivered under this Trust Indenture upon transfer of or in exchange for or in lieu of any other Bonds shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond and each such Bond shall bear interest from such date, so that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

Section 204. Authentication of Bonds. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form set forth in Exhibit A hereto, duly executed by the Bond Trustee, shall be entitled to any benefit or security under this Trust Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication on the Bond shall have been duly executed by the Bond Trustee, and such certificate of the Bond Trustee upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Trust Indenture. The Bond Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Bond Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time.

Section 205. Interest on the Bonds.

(a) Except as provided in this subsection (d) hereof with respect to Bank Bonds, the interest rate on and Interest Rate Period for the Bonds may be adjusted as set forth in this Section 205. Except while the Bonds bear interest at Bond Interest Term Rates, all Bonds shall bear the same rate for the same Interest Rate Period.

For any Daily Interest Rate Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the Interest Accrual Date preceding the prior Interest Payment Date (or, in the case of the first Interest Payment Date during any Daily Interest Rate Period, the Interest Accrual Date preceding such Interest Payment Date) and ending on the last day of the month in which such Interest Accrual Date occurs or, if sooner, the last day of the Daily Interest Rate Period. For any Weekly Interest Rate Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on and including the day immediately preceding the Interest Payment Date (or, if sooner, the last day of the Weekly Interest Rate Period). For any Short-Term Interest Rate Period or Long-Term Interest Rate Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on the day immediately preceding such Interest Payment Date. In any event, interest on the Bonds shall be payable for the final Interest Rate Period to the date on which the Bonds shall have been paid in full.

(b) Interest on the Bonds shall be computed (i) in the case of a Long-Term Interest Rate Period, on the basis of a 360-day year consisting of twelve 30-day months and (ii) in the case of a Daily Interest Rate Period, a Weekly Interest Rate Period or a Short-Term Interest Rate

Period, on the basis of a 365 or 366-day year, as appropriate, for the actual number of days elapsed.

(c) In the manner hereinafter provided, the term of the Bonds shall be divided into consecutive Interest Rate Periods during each of which the Bonds shall bear interest at a Daily Interest Rate, a Weekly Interest Rate, Bond Interest Term Rates or a Long-Term Interest Rate; provided, however, that at any time, all Bonds shall bear interest at a Daily Rate, a Weekly Interest Rate, a Long-Term Interest Rate or Bond Interest Term Rates. No Bond shall bear interest at a rate higher than the Ceiling Rate. The first Interest Rate Period for the Bonds shall commence on the Closing Date and shall be a Weekly Interest Rate Period. On or prior to the Closing Date, the initial Weekly Interest Rate borne by the Bonds shall be determined in the manner provided in this Section 205 by the Remarketing Agent.

(d) Notwithstanding anything in this Trust Indenture to the contrary, Bank Bonds shall bear interest at the Bank Bond Interest Rate for the period commencing from the date that the Bank shall have purchased (or shall have deemed to have purchased) such Bond and continuing until such Bank Bond shall have been paid and retired or until such Bank (or a participant thereof) shall have resold such Bank Bonds pursuant to a remarketing by the Remarketing Agent pursuant to this Trust Indenture or shall have elected (to the extent permitted thereunder) not to sell and thus retain Bank Bonds otherwise to be remarketed by the Remarketing Agent; and such interest shall accrue and be payable on any Interest Payment Date for Bank Bonds while held as such in accordance with the day count basis applicable to Bank Bonds. On each Interest Payment Date as well as on any applicable payment or redemption date for Bank Bonds, and except as otherwise provided in the Credit Facility Provider Agreement or Liquidity Facility, as applicable, (1) interest shall be payable on Bank Bonds for the period commencing on the immediately preceding Interest Accrual Date and ending on the Interest Payment Date, and (2) the Bank shall provide written notice to the Corporation and the Bond Trustee of the Bank Rate and the interest that is then due and payable on the Bank Bonds, upon which the Bond Trustee shall conclusively rely. Notwithstanding anything herein to the contrary, in no event shall the interest rate paid by the Corporation on Bank Bonds exceed the Ceiling Rate.

Notwithstanding anything in this Trust Indenture to the contrary, if some, but less than all of the Bonds are Bank Bonds, such Bank Bonds shall be remarketed at a purchase price equal to the principal of such Bank Bonds plus accrued interest at the rate that would have accrued on such Bank Bond if such Bank Bond had not been a Bank Bond. As soon as practicable, but in any event by no later than 12:15 p.m. on the date any such Bank Bond is to be remarketed, the Remarketing Agent shall inform the Tender Agent, the Bond Trustee and the Bank by Electronic Means of the principal amount of the Bank Bond to be remarketed. Upon receipt of such notice from the Remarketing Agent, the Bond Trustee shall promptly, but not later than 12:45 p.m. on such remarketing date, notify the Bank, the Tender Agent and the Remarketing Agent by Electronic Means of the amount of interest that would have accrued on such Bank Bond if such Bank Bond had not been a Bank Bond. Upon receipt of such notices from the Remarketing Agent and the Bond Trustee, the Bank shall promptly, but not later than 1:00 p.m. on such remarketing date, notify the Bond Trustee and the Borrower by Electronic Means of the Bank Bond Interest Differential Amount. Upon receipt of such notice from the Bank, the Borrower shall immediately, and in no event later than 1:15 p.m. on such remarketing date, pay the Bank

Bond Interest Differential Amount to the Tender Agent in immediately available funds for deposit into the Borrower Account. Notwithstanding anything in this Trust Indenture to the contrary, if all of the Bonds are Bank Bonds, the Bank Bonds shall be remarketed at a purchase price equal to the principal of such Bank Bonds, without accrued interest, and on the remarketing date the Borrower shall pay to the Tender Agent all accrued interest on such Bank Bonds at the Bank Bond Interest Rate.

(e) (i) Determination of Daily Interest Rate. During each Daily Interest Rate Period, the Bonds shall bear interest at the Daily Interest Rate, which shall be determined by the Remarketing Agent by 9:30 a.m. on each Business Day during such Daily Interest Rate Period. The Daily Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell the Bonds on such date of determination at a price (without regard to accrued interest) equal to the principal amount thereof. In the event that the Remarketing Agent fails to establish a Daily Interest Rate for any day, then the Daily Interest Rate for such day shall be the same as the Daily Interest Rate for the immediately preceding day and such rate shall continue until the earlier of (A) the date on which the Remarketing Agent determines a new Daily Interest Rate for the Bonds or (B) the seventh day succeeding the first such day on which such Daily Interest Rate is not determined by the Remarketing Agent. In the event that the Remarketing Agent fails to determine a new Daily Interest Rate for a period of seven (7) days as described in clause (B) of the immediately preceding sentence, or in the event that the Daily Interest Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate applicable to the Bonds shall be equal to 110% of the SIFMA Index made available for the week preceding the date of determination, or if such index is no longer available, or no such index was so made available for the week preceding the date of determination, 75% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal for each Business Day (and for the next preceding Business Day for each day which is not a Business Day) until such Daily Interest Rate is again validly determined by the Remarketing Agent.

(ii) Adjustment to Daily Interest Rate. At any time, the Borrower, by written direction in accordance with Section 205(1) hereof to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent, each Rating Agency then rating the Bonds and the Bank (if a Credit Facility or Liquidity Facility is in effect), may elect, subject to Sections 205(m), 205(n), 205(o) and 205(p) hereof, that the Bonds shall bear interest at a Daily Interest Rate. Such direction of the Borrower shall specify the proposed effective date of such adjustment to a Daily Interest Rate, which shall be (1) a Business Day not earlier than the 30th day following the seventh Business Day after receipt by the Bond Trustee of such direction, (2) in the case of an adjustment from a Long-Term Interest Rate Period, the day immediately following the last day of the then current Long-Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 301(a)(iii) if such adjustment did not occur, and (3) in the case of an adjustment from a Short-Term Interest Rate Period, the day immediately following the last day of the Short-Term Interest Rate Period, and shall be accompanied by a Favorable

Opinion of Bond Counsel. During each Daily Interest Rate Period commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period or the maturity date of the Bonds, the interest rate borne by the Bonds shall be a Daily Interest Rate.

(iii) Notice of Adjustment to Daily Interest Rate. The Bond Trustee shall give notice by first-class mail of an adjustment to a Daily Interest Rate Period to the Holders not less than 30 days prior to the proposed effective date of such Daily Interest Rate Period. Such notice shall state (A) that the interest rate on the Bonds will be adjusted to a Daily Interest Rate unless Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel as to such adjustment on the effective date of such adjustment in the Interest Rate Period, in which case (1) if the Bonds are being adjusted from a Weekly Interest Rate Period or a Short-Term Interest Rate Period, the Bonds shall continue to bear interest at the Weekly Interest Rate or Bond Interest Term Rates as in effect immediately prior to such proposed adjustment in the Interest Rate Period, or (2) if the Bonds are being adjusted from a Long-Term Interest Rate Period, the Bonds shall be adjusted to bear interest at a Weekly Interest Rate, (B) the proposed effective date of such Daily Interest Rate Period, and (C) that the Bonds shall be subject to mandatory tender for purchase on such proposed effective date and shall set forth the applicable purchase price.

(f) (i) Determination of Weekly Interest Rate. During each Weekly Interest Rate Period, the Bonds shall bear interest at a Weekly Interest Rate, which shall be determined by the Remarketing Agent by 4:30 p.m. on Wednesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the immediately preceding Business Day. The first Weekly Interest Rate determined for each Weekly Interest Rate Period shall be determined on or prior to the first day of such Weekly Interest Rate Period and shall apply to the period commencing on the first day of such Weekly Interest Rate Period and ending on and including the next succeeding Wednesday. Thereafter, each Weekly Interest Rate shall apply to the period commencing on and including Thursday and ending on and including the next succeeding Wednesday, unless such Weekly Interest Rate Period shall end on a day other than Wednesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period shall apply to the period commencing on the Thursday preceding the last day of such Weekly Interest Rate Period and ending on and including the last day of such Weekly Interest Rate Period. The Weekly Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell the Bonds on such date of determination at a price (without regard to accrued interest) equal to the principal amount thereof. In the event that the Remarketing Agent fails to establish a Weekly Interest Rate for any week, then the Weekly Interest Rate for such week shall be the same as the Weekly Interest Rate for the immediately preceding week if the Weekly Interest Rate for such preceding week was determined by the Remarketing Agent. In the event that the Weekly Interest Rate for the immediately preceding week was not determined by the Remarketing Agent, or in the event that the Weekly Interest Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such week shall be equal to 110% of the SIFMA Index made available for the week preceding the date of determination, or if the

SIFMA Index is no longer available, or no such index was so made available for the week preceding the date of determination, 75% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal on the day the Weekly Interest Rate would otherwise be determined as provided herein for such Weekly Interest Rate Period.

(ii) Adjustment to Weekly Interest Rate. At any time, the Borrower, by written direction in accordance with Section 205(1) hereof to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent, each Rating Agency then rating the Bonds and the Bank (if a Credit Facility or Liquidity Facility is in effect), may elect, subject to Sections 205(m), 205(n), 205(o) and 205(p) hereof, that the Bonds shall bear interest at a Weekly Interest Rate. Such direction of the Borrower shall specify the proposed effective date of such adjustment to a Weekly Interest Rate, which shall be (1) a Business Day not earlier than the 30th day following the seventh Business Day after receipt by the Bond Trustee of such direction, (2) in the case of an adjustment from a Long-Term Interest Rate Period, the day immediately following the last day of the then current Long-Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 301(a)(iii) hereof if such adjustment did not occur, and (3) in the case of an adjustment from a Short-Term Interest Rate Period, the day immediately following the last day of the Short-Term Interest Rate Period, and shall be accompanied by a Favorable Opinion of Bond Counsel. During each Weekly Interest Rate Period commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the interest rate borne by the Bonds shall be a Weekly Interest Rate.

(iii) Notice of Adjustment to Weekly Interest Rate. The Bond Trustee shall give notice by first-class mail of an adjustment to a Weekly Interest Rate Period to the Holders not less than 30 days prior to the effective date of such Weekly Interest Rate Period. Such notice shall state (A) that the interest rate on the Bonds will be adjusted to a Weekly Interest Rate unless Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel as to such adjustment on the effective date of such adjustment in the Interest Rate Period, in which case (1) if the Bonds are being adjusted from a Daily Interest Rate Period or a Short-Term Interest Period, the Bonds shall bear interest at the Daily Interest Rate or Bond Interest Term Rates as in effect immediately prior to such proposed adjustment in the Interest Rate Period, or (2) if the Bonds are being adjusted from a Long-Term Interest Rate Period, the Bonds shall be adjusted to bear interest at a Weekly Interest Rate, (B) the proposed effective date of such Weekly Interest Rate Period, and (C) that the Bonds shall be subject to mandatory tender for purchase on such proposed effective date and shall set forth the applicable purchase price.

(g) [Reserved.]

(h) (i) Determination of Long-Term Interest Rate. During each Long-Term Interest Rate Period, the Bonds shall bear interest at the Long-Term Interest Rate. The Long-Term Interest Rate shall be determined by the Remarketing Agent on a Business Day no earlier than two (2) weeks before the effective date of such Long-Term Interest Rate Period and no later than 10:00 a.m. on the effective date of such Long-Term Interest Rate Period. The Long-Term

Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax-exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell the Bonds on such effective date at a price (without regard to accrued interest) equal to the principal amount thereof. If, for any reason, the Long-Term Interest Rate is not so determined for any Long-Term Interest Period by the Remarketing Agent on or prior to the first day of such Long-Term Interest Rate Period, then the Bonds shall bear interest at the Weekly Interest Rate as provided in Section 205(f) hereof, and shall continue to bear interest at a Weekly Interest Rate determined in accordance with Section 205(f) hereof until such time as the interest rate on the Bonds is adjusted to a Daily Interest Rate, a Long-Term Interest Rate or Bond Interest Term Rates as provided herein, and the Bonds shall be subject to purchase upon notice from the Holders thereof as described in Section 206(a) hereof.

(ii) Adjustment to or Continuation of Long-Term Interest Rate.

(A) At any time, the Borrower, by written direction in accordance with Section 205(1) hereof to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent, each Rating Agency then rating the Bonds and the Bank (if a Credit Facility or Liquidity Facility is in effect), may elect, subject to Sections 205(m), 205(n), 205(o) and 205(p) hereof, that the Bonds shall bear, or continue to bear, interest at a Long-Term Interest Rate. The direction of the Borrower required by the first sentence of this paragraph (A), (1) shall specify the duration of the Long-Term Interest Rate Period during which the Bonds shall bear interest at a Long-Term Interest Rate; (2) shall specify the proposed effective date of such Long-Term Interest Rate Period, which date shall be (aa) a Business Day not earlier than the 30th day following the seventh Business Day after receipt by the Bond Trustee of such direction, (bb) in the case of an adjustment from a Long-Term Interest Rate Period to another Long-Term Interest Rate Period, the day immediately following the last day of the then current Long-Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 301(a)(iv) hereof if such adjustment did not occur, and (cc) in the case of an adjustment from a Short-Term Interest Rate Period, the day immediately following the last day of the Short-Term Interest Rate Period; (3) shall specify the proposed last day of such Long-Term Interest Rate Period (which last day shall be either the day immediately prior to the maturity date of the Bonds, or a day which both immediately precedes a Business Day and is at least 271 days after the effective date thereof); and (4) with respect to any such Long-Term Interest Rate Period, may specify different Redemption Prices, and different Long-Term Rate Periods for which such Redemption Prices are applicable, than those set forth in Section 301(a)(iv) hereof, if approved by Bond Counsel as provided in Section 205(h)(ii)(B) hereof.

(B) Such direction of the Borrower shall be accompanied by a Favorable Opinion of Bond Counsel.

(C) If, by the fifth Business Day preceding the 30th day prior to the last day of any Long-Term Interest Rate Period, the Bond Trustee shall not have received written notice of the Borrower's election that, during the next succeeding Interest Rate Period, the Bonds shall bear interest at a Daily Interest Rate, a Weekly Interest Rate, another Long-Term Interest Rate or at Bond Interest Term Rates, the next succeeding Interest Rate Period shall be a Weekly Interest Rate Period until such time as the interest rate on the Bonds shall be adjusted to a Daily Interest Rate, a Long-Term Interest Rate or Bond Interest Term Rates as provided in this Section 205, and the Bonds shall be subject to mandatory purchase as provided in Section 206(c) hereof on the first day of such Weekly Interest Rate Period.

(iii) Notice of Adjustment to or Continuation of Long-Term Interest Rate. The Bond Trustee shall give notice by first-class mail of an adjustment to a (or the establishment of another) Long-Term Interest Rate Period to the Holders not less than thirty (30) days prior to the effective date of such Long-Term Interest Rate Period. Such notice shall state: (A) that the interest rate on the Bonds shall be adjusted to, or continue to be, a Long-Term Interest Rate unless Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel as to such adjustment in the Interest Rate Period on the effective date of such adjustment, in which case (1) if the Bonds are being adjusted from a Daily Interest Rate Period, a Weekly Interest Rate Period or a Short-Term Interest Rate Period, the Bonds shall continue to bear interest at a Daily Interest Rate, a Weekly Interest Rate or Bond Interest Term Rates as in effect immediately prior to such proposed adjustment in the Interest Rate Period or (2) if the Bonds are being adjusted from a Long-Term Interest Rate Period, the Bonds shall be adjusted to bear interest at a Weekly Interest Rate, (B) the proposed effective date and the proposed last day of such Long-Term Interest Rate Period and (C) that the Bonds shall be subject to mandatory tender for purchase on such proposed effective date and shall set forth the applicable purchase price.

(iv) Adjustment from Long-Term Interest Rate Period. In addition to an adjustment from a Long-Term Interest Rate Period on the day immediately following the last day of the Long-Term Interest Rate Period, at any time during a Long-Term Interest Rate Period (subject to the provisions set forth in this paragraph (iv)), the Borrower may elect, subject to Sections 205(m), 205(n), 205(o) and 205(p) hereof, that the Bonds no longer shall bear interest at a Long-Term Interest Rate and shall instead bear interest at a Daily Interest Rate, a Weekly Interest Rate, a new Long-Term Interest Rate or Bond Interest Term Rates, as specified in such election. In the written notice of such election, the Borrower shall also specify the effective date of the new Interest Rate Period, which date shall be (A) a Business Day no earlier than the 30th day after the fifth Business Day following the date of receipt by the Bond Trustee of the notice of election from the Borrower and (B) a day on which the Bonds shall be subject to optional redemption in accordance with Section 301(a)(iii) hereof. The Bonds shall be subject to mandatory tender for purchase on the effective date of the new Interest Rate Period thereof in accordance with Section 206(c) hereof, at a purchase price equal to the optional Redemption Price set forth in Section 301(a)(iii) hereof which would be applicable on that date.

(i) (i) Determination of Bond Interest Terms and Bond Interest Term Rates.

(A) During each Short-Term Interest Rate Period, each Bond shall bear interest during each Bond Interest Term for such Bond at the Bond Interest Term Rate for such Bond. The Bond Interest Term and the Bond Interest Term Rate for each Bond need not be the same for any two Bonds, even if determined on the same date. Each of such Bond Interest Terms and Bond Interest Term Rates for each Bond shall be determined by the Remarketing Agent no later than 12:00 noon on the first day of each Bond Interest Term. Except for any Bond purchased by the Bank or the Borrower and remaining unsold by the Remarketing Agent at the close of business on the first day of the Bond Interest Term, each Bond Interest Term shall be for a period of days within the range or ranges announced as possible Bond Interest Terms no later than 9:00 a.m. on the first day of each Bond Interest Term by the Remarketing Agent. Each Bond Interest Term for each Bond shall be a period of not less than one day and not more than 270 days, determined by the Remarketing Agent to be the period which, together with all other Bond Interest Terms for all Bonds then Outstanding, will result in the lowest overall interest expense on the Bonds over the next succeeding 270 days. Any Bond purchased by the Bank or the Borrower and remaining unsold by the Remarketing Agent as of the close of business on the first day of the Bond Interest Term for that Bond shall have a Bond Interest Term of one day or, if that Bond Interest Term would not end on a day immediately preceding a Business Day, a Bond Interest Term ending on the day immediately preceding the next Business Day. Each Bond Interest Term shall end either on a day which immediately precedes a Business Day or on the day immediately preceding the maturity date of the Bonds. If for any reason a Bond Interest Term for any Bond cannot be so determined by the Remarketing Agent, or if the determination of such Bond Interest Term is held by a court of law to be invalid or unenforceable, then such Bond Interest Term shall be 30 days, but if the last day so determined shall not be a day immediately preceding a Business Day, shall end on the first day immediately preceding the Business Day next succeeding such last day, or if such last day would be after the day immediately preceding the maturity date of the Bonds, shall end on the day immediately preceding the maturity date. In determining the number of days in each Bond Interest Term, the Remarketing Agent shall take into account the following factors: (I) existing short-term tax-exempt market rates and indices of such short-term rates, (II) the existing market supply and demand for short-term tax-exempt securities, (III) existing yield curves for short-term and long-term tax-exempt securities for obligations of credit quality comparable to the Bonds, (IV) general economic conditions, (V) economic and financial conditions that may affect or be relevant to the Bonds, (VI) the Bond Interest Terms of other Bonds and (VII) such other facts, circumstances and conditions pertaining to financial markets as the Remarketing Agent, in its sole discretion, shall determine to be relevant. The last day of any Bond Interest Term shall be no later than the date the Bonds are subject to mandatory tender for purchase pursuant to Section 206(d) hereof as a result of the expiration or termination of the Liquidity Facility other than on account of an Authorized Liquidity Termination.

(B) The Bond Interest Term Rate for each Bond Interest Term for each Bond shall be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by such Bond, would enable the Remarketing Agent to sell such Bond on the date and at the time of such determination at a price equal to the principal amount thereof. If for any reason a Bond Interest Term Rate for any Bond is not so established by the Remarketing Agent for any Bond Interest Term, or such Bond Interest Term Rate is determined by a court of law to be invalid or unenforceable, then the Bond Interest Term Rate for such Bond Interest Term shall be the rate per annum equal to 75% of the interest rate on high grade unsecured commercial paper notes sold through dealers by major corporations as reported by The Wall Street Journal on the first day of such Bond Interest Term and which maturity most nearly equals the Bond Interest Term for which a Bond Interest Term Rate is being calculated.

(ii) Adjustment to Bond Interest Term Rates. At any time, the Borrower, by written direction in accordance with Section 205(1) hereof to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent, each Rating Agency then rating the Bonds and the Bank (if a Credit Facility or Liquidity Facility is in effect), subject to Sections 205(m), 205(n), 205(o) and 205(p) hereof, that the Bonds shall bear interest at Bond Interest Term Rates. Such direction of the Borrower shall specify the proposed effective date of the Short-Term Interest Rate Period (during which the Bonds shall bear interest at Bond Interest Term Rates), which shall be (1) a Business Day not earlier than the 30th day following the seventh Business Day after receipt by the Bond Trustee of such direction, (2) in the case of an adjustment from a Long-Term Interest Rate Period, the day immediately following the last day of such Long-Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 301(a)(iii) hereof if such adjustment did not occur; provided that, if prior to the Borrower's making such election any Bonds shall have been called for redemption and such redemption shall not have theretofore been effected, the effective date of such Short-Term Interest Rate Period shall not precede such redemption date, and (3) in the case of an adjustment from a Daily Interest Rate Period, the day immediately following the last day of such Interest Rate Period, and shall be accompanied by a Favorable Opinion of Bond Counsel. During each Short-Term Interest Rate Period commencing on the date so specified and ending, with respect to each Bond, on the day immediately preceding the effective date of the next succeeding Interest Rate Period with respect to such Bond, each Bond shall bear interest at a Bond Interest Term Rate during each Bond Interest Term for such Bond.

(iii) Notice of Adjustment to Bond Interest Term Rates. The Bond Trustee shall give notice by first-class mail of an adjustment to a Short-Term Interest Rate Period to the Holders not less than 30 days prior to the effective date of such Short-Term Interest Rate Period. Such notice shall state (A) that the Bonds shall bear interest at Bond Interest Term Rates and that, during such Short-Term Interest Rate Period, each Bond will have one or more consecutive Bond Interest Terms during each of which such Bond will bear a

Bond Interest Term Rate unless Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel as to such adjustment on the effective date of such adjustment in the Interest Rate Period, in which case (1) if the Bonds are being adjusted from a Daily Interest Rate Period or a Weekly Interest Rate Period, the Bonds shall continue to bear interest at a Daily Interest Rate or a Weekly Interest Rate as in effect immediately prior to such proposed adjustment in the Interest Rate Period, or (2) if the Bonds are being adjusted from a Long-Term Interest Rate Period, the Bonds shall be adjusted to bear interest at a Weekly Interest Rate, (B) the proposed effective date of such Short-Term Interest Rate Period, (C) that the Bonds shall be subject to mandatory tender for purchase on such proposed effective date and shall set forth the applicable purchase price and (D) that a Bond Interest Term and a Bond Interest Term Rate for each Bond will be determined not later than the first day of such Bond Interest Term.

(iv) Adjustment from Short-Term Interest Rate Period. At any time during a Short-Term Interest Rate Period, the Borrower may elect, pursuant to Section 205(e)(ii), 205(f)(ii), 205(g)(ii) or 205(h)(ii) hereof, but subject to Sections 205(m), 205(n), 205(o) and 205(p) hereof, that the Bonds no longer shall bear interest at Bond Interest Term Rates and shall instead bear interest at a Daily Interest Rate, a Weekly Interest Rate, or a Long-Term Interest Rate, as specified in such election.

The date on which all Bond Interest Terms determined shall end shall be the last day of the then current Short-Term Interest Rate Period and the day next succeeding such date shall be the effective date of the Daily Interest Rate Period, Weekly Interest Rate Period, or Long-Term Interest Rate Period elected by the Borrower.

(j) Determinations of Remarketing Agent Binding. The determination of the Daily Interest Rate, Weekly Interest Rate, Long-Term Interest Rate and each Bond Interest Term and Bond Interest Term Rate by the Remarketing Agent, shall be conclusive and binding upon the Bond Trustee, the Tender Agent, the Issuer, the Borrower, the Bank and the Holders, as applicable.

(k) Manner of Payment. Interest on the Bonds shall be payable on each Interest Payment Date by the Bond Trustee during any Daily Interest Rate Period, Weekly Interest Rate Period or Long-Term Interest Rate Period, by check mailed first-class, postage prepaid, on the date on which interest is due to the Holders at the close of business on the Regular Record Date in respect of such Interest Payment Date at the addresses of Holders as they shall appear on the Register. In the case of (i) Bonds bearing interest at a Bond Interest Term Rate, or (ii) any Holder of Bonds bearing interest at other than a Bond Interest Term Rate in an aggregate principal amount in excess of \$1,000,000 as shown on the Register who, prior to the Regular Record Date next preceding any Interest Payment Date, shall have provided, or through the Remarketing Agent shall have caused to be provided, the Bond Trustee with wire transfer instructions, interest payable on such Bonds shall be paid in accordance with the wire transfer instructions provided by the Holder of such Bonds (or by the Remarketing Agent on behalf of such Holder); provided, however, that during any Short-Term Interest Rate Period, interest on any Bond shall, subject to Section 216 hereof, be payable only upon presentation and surrender of such Bond to the Tender Agent at its designated corporate trust office.

(1) Notice of Adjustment in Interest Rate. In the event that the Borrower shall elect to convert the interest rate on the Bonds to a Daily Rate, Weekly Interest Rate, Long-Term Interest Rate or Bond Interest Term Rates as provided in Sections 205(e)(ii), 205(f)(ii), 205(g)(ii), 205(h)(ii) and 205(i)(ii) hereof, then the written direction furnished by the Borrower to the Issuer, the Bond Trustee, the Bank (if a Credit Facility or Liquidity Facility is in effect), the Tender Agent and the Remarketing Agent, as required by such Sections shall be made by registered or certified mail, or by Electronic Means, confirmed by registered or certified mail. Any such direction of the Borrower shall specify whether the Bonds are to bear interest at the Daily Interest Rate, Weekly Interest Rate, Bond Interest Term Rates or a Long-Term Interest Rate.

(m) Requirement of Favorable Opinion of Bond Counsel. Notwithstanding anything in this Section 205 to the contrary, in connection with any adjustment of the Interest Rate Period on the Bonds, the Borrower shall cause to be provided to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent and the Bank, a Favorable Opinion of Bond Counsel on the effective date of such adjustment. In the event that Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel on any such date, then the Interest Rate Period on the Bonds shall not be adjusted, and the Bonds shall continue to bear interest at a Daily Interest Rate, a Weekly Interest Rate or Bond Interest Term Rates, as the case may be, as in effect immediately prior to such proposed adjustment in the Interest Rate Period; provided, however, that in the event that the Bonds are being adjusted from a Long-Term Interest Rate Period, and Bond Counsel fails to deliver such Favorable Opinion of Bond Counsel on the effective date of such adjustment, then the Bonds nevertheless shall be adjusted to bear interest at a Weekly Interest Rate as provided in Section 205(f) hereof; In any event, if notice of such adjustment has been mailed to the Holders as provided herein and Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel on the effective date as herein described, the Bonds shall continue to be subject to mandatory purchase on the date which would have been the effective date of such adjustment as provided in Section 206 hereof.

(n) Delivery of Available Moneys to Pay Premium. Notwithstanding anything in this Section 205 to the contrary, in connection with the adjustment of any Interest Rate Period which would require the mandatory tender for purchase of Bonds at a purchase price, exclusive of accrued interest, greater than the principal amount thereof as provided in Section 206(c) hereof, the Borrower, as a condition to exercising its option to cause an adjustment in the Interest Rate Period applicable to the Bonds, shall deliver to the Bond Trustee, prior to the Bond Trustee mailing notice of such adjustment in the Interest Rate Period, Available Moneys for the purpose of paying such premium, unless the Credit Facility or Liquidity Facility then in effect with respect to the Bonds provides for the payment of such premium.

(o) Rescission of Election. Notwithstanding anything to the contrary in this Section 205, in connection with any adjustment of the Interest Rate Period for the Bonds, the Borrower shall have the right to deliver to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent, each Rating Agency then rating the Bonds and the Bank (if a Credit Facility or Liquidity Facility is then in effect), at or prior to 10:00 a.m. on the effective date of any such adjustment in the case of Bonds being adjusted to a Long-Term Interest Rate Period, at or prior to 10:00 a.m. on the date that the interest rate for such Long-Term Interest Rate Period is determined), a written notice to the effect that the Borrower elects to rescind its election to make such

adjustment. If the Borrower rescinds its election to make such adjustment, then the Interest Rate Period shall not be adjusted and the Bonds shall continue to bear interest at the Daily Interest Rate, Weekly Interest Rate or Bond Interest Term Rates, as the case may be, as in effect immediately prior to such proposed adjustment; provided, however, that if the Bonds were to be adjusted from a Long-Term Interest Rate, then the Bonds shall bear interest at a Weekly Interest Rate for the period commencing on the date which would have been the effective date of such Long-Term Interest Rate Period. In any event, if notice of an adjustment has been mailed to the Holders as provided herein and the Borrower rescinds its election to make such adjustment, then the Bonds shall continue to be subject to mandatory tender for purchase on the date which would have been the effective date of the adjustment as provided in Section 206(c).

(p) Certain Additional Conditions. In addition to the other requirements set forth in this Section 205, no adjustment from one Interest Rate Period to another shall take effect hereunder unless each of the following conditions, to the extent applicable, shall have been satisfied:

(i) In the case of any adjustment with respect to which there shall be no Credit Facility or Liquidity Facility in effect to provide funds for the purchase of Bonds on the effective date, the remarketing proceeds available on the adjustment date shall not be less than the amount required to purchase all of the Bonds at a price equal to the principal amount of the Bonds.

(c) Mandatory Tender for Purchase on First Day of Each Interest Rate Period in Event of Conversion to New Interest Rate Period. The Bonds shall be subject to mandatory tender for purchase on the first day of each Interest Rate Period, or on the day which would have been the first day of an Interest Rate Period had one of the events specified in Sections 205(m) or 205(o) hereof not occurred which resulted in the interest rate on such Bonds not being adjusted, in the event of a conversion from one Interest Rate Period to another Interest Rate Period and on the first day of each new Long-Term Interest Rate Period, at a purchase price, payable in

immediately available funds, equal to the principal amount of the Bonds or, in the case of a purchase on the first day of an Interest Rate Period which shall be preceded by a Long-Term Interest Rate Period and which shall commence prior to the day originally established as the last day of such preceding Long-Term Interest Rate Period, at a purchase price equal to the optional redemption price set forth in Section 301(a)(iii) hereof which would have been applicable to the Bonds on such mandatory purchase date if such preceding Long-Term Interest Rate Period had continued to the day originally established as its last day, plus accrued interest, if any.

(d) Mandatory Tender for Purchase upon Expiration, Termination or Replacement of Credit Facility or Liquidity Facility.

(i) The Bonds shall be subject to mandatory tender for purchase at a purchase price equal to the principal amount thereof, plus accrued interest, if any, to the date of purchase:

(A) on the fifth Business Day next preceding the date on which a Credit Facility then in effect is stated to expire or terminate (unless extended); and

(B) if the Credit Facility then in effect will terminate prior to its stated expiration date on account of delivery of an Alternate Credit Facility or a Substitute Liquidity Facility or implementation of a Self Liquidity Arrangement, on the proposed effective date of the Alternate Credit Facility, Substitute Liquidity Facility or Self Liquidity Arrangement.

(ii) Liquidity Enhanced Bonds shall be subject to mandatory tender for purchase at a purchase price equal to the principal amount thereof, plus accrued interest, if any, to the date of purchase:

Such purchase date shall be a Business Day not earlier than the 30th day following the fifth Business Day after receipt by the Bond Trustee of such designation.

(f) Notice of Mandatory Tender for Purchase; Delivery of Bonds to be Purchased; Notice of Authorized Liquidity Termination.

(i) In connection with any mandatory tender for purchase of Bonds in accordance with Sections 206(c) or 206(d) hereof, the Bond Trustee shall give notice of a mandatory tender for purchase as a part of the notice given pursuant to Section 205(e)(iii), 205(f)(iii), 205(g)(iii), 205(h)(iii), 205(i)(iii), 1201 or 1205. In connection with any mandatory tender for purchase of Bonds in accordance with Section 206(e) hereof, the Bond Trustee shall give notice of a mandatory tender for purchase by first-class mail to the Holders not less than 30 days prior to the purchase date. Any notice of mandatory tender for purchase shall state (A) in the case of a mandatory tender for purchase pursuant to Section 206(c) hereof, the type of Interest Rate Period to commence on such mandatory purchase date; (B) in the case of a mandatory tender for purchase pursuant to Sections 206(d)(i) and 1201 hereof, that the Credit Facility will expire, be cancelled, be substituted for or terminate and that the principal and purchase price of and interest on the Bonds will no longer be paid from moneys provided pursuant to the Credit Facility then in effect and that any rating applicable thereto may be reduced or withdrawn; (C) in the case of a mandatory tender for purchase pursuant to Sections 206(d)(ii) and 1205 hereof, that the Liquidity Facility will expire, be cancelled, be substituted for or terminate and that the Liquidity Enhanced Bonds will no longer be subject to purchase from moneys provided pursuant to the Liquidity Facility then in effect or that the coverage thereof with respect to the Liquidity Enhanced Bonds will be reduced and that any rating applicable thereto may be reduced or withdrawn; (D) that the purchase price of any Bond so subject to mandatory purchase shall be payable only upon (1) if a Book-Entry System is not in effect, surrender of such Bond by 10:00 a.m. on the mandatory purchase date to the Tender Agent at its principal office for delivery of Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a member of the New York Stock Exchange's Medallion Program or the New York Stock Exchange, Inc. (ii) For payment of the purchase price of any Bond required to be purchased pursuant to Section 206 hereof on the purchase date, such Bond must be delivered, at or prior to 10:00 a.m. on the mandatory purchase date, (1) if a Book-Entry System is not in effect, to the Tender Agent at its principal office for delivery of Bonds, accompanied by

an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a member of the New York Stock Exchange's Medallion Program or the New York Stock Exchange, Inc. In the event any such Bond is delivered after 10:00 a.m. on such date, payment of the purchase price of such Bond need not be made until the Business Day following the date of delivery of such Bond, but such Bond shall nonetheless be deemed to be an Undelivered Bond and to have been purchased on the mandatory purchase date and no interest shall accrue thereon after such date.

(iii) Liquidity Enhanced Bonds shall not be subject to mandatory tender for purchase upon the occurrence of an Authorized Liquidity Termination. If the Tender Agent shall receive notice of the occurrence of an Authorized Liquidity Termination, it shall cause the Bond Trustee to notify the Holders that an Authorized Liquidity Termination has occurred within one Business Day following its receipt of such notice.

(g) Irrevocable Notice Deemed to be Tender of Bond; Undelivered Bonds.

(i) The giving of notice by a Beneficial Owner or Holder of a Bond as provided in Section 206(a) hereof shall constitute the irrevocable tender for purchase of each such Bond with respect to which such notice shall have been given, regardless of whether such Bond is delivered to the Tender Agent for purchase on the relevant purchase date as provided in Section 206 hereof.

(ii) The Tender Agent may refuse to accept delivery of any Bonds for which a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of such Bond as herein described. If any Beneficial Owner or Holder of a Bond who shall have given notice of tender of purchase pursuant to Section 206(a) hereof shall fail to deliver such Bond to the Tender Agent at the place and on the applicable date and at the time specified, or shall fail to deliver such Bond properly endorsed, such Bond shall constitute an Undelivered Bond. If funds in the amount of the purchase price of the Undelivered Bonds (including the Undelivered Bonds referred to in Section 206(f)(ii) hereof) are available for payment to the Holder thereof on the date and at the time specified, from and after the date and time of that required delivery, (1) each Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be Outstanding under this Trust Indenture; (2) interest shall no longer accrue thereon; and (3) funds in the amount of the purchase price of each such Undelivered Bond shall be held by the Tender Agent for the benefit of the Holder thereof (provided that the Holder shall have no right to any investment proceeds derived from such funds), to be paid on delivery (and proper endorsement) of such Undelivered Bond to the Tender Agent at its principal office for delivery of Bonds. Any funds held by the Tender Agent as described in clause (3) of the preceding sentence shall be held uninvested and not commingled.

(h) Book-Entry Tender and Delivery Procedures. Notwithstanding anything to the contrary contained in this Trust Indenture, so long as a Securities Depository Nominee is the sole Holder of the Bonds, all tenders for purchase and deliveries of Bonds tendered for purchase or subject to mandatory tender under the provisions of this Trust Indenture shall be made pursuant to the Securities Depository's procedures as in effect from time to time and neither the Issuer, the Borrower, the Tender Agent, the Bond Trustee nor the Remarketing Agent shall have any responsibility for or liability with respect to the implementation of such procedures.

Section 207. Exchange of Bonds. Bonds, upon surrender thereof at the Principal Office, together with an assignment duly executed by the Holder or such Holder's attorney or legal representative in such form as shall be satisfactory to the Bond Trustee, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of Bonds of any Authorized Denomination, bearing interest at the same rate, and in the same form as the Bonds surrendered for exchange.

The Issuer shall make provision for the exchange of the Bonds at the Principal Office.

Section 208. Negotiability, Registration and Transfer of Bonds. The Bond Trustee shall keep the Register for the registration and registration of transfer of Bonds as provided in this Trust Indenture. The Register shall be available at all reasonable times for inspection by the Issuer and its agents and representatives, and the Bond Trustee shall provide to the Issuer, upon its written request, an accurate copy of the names and addresses of the Holders set forth in the Register.

The transfer of any Bond may be registered only upon the Register upon surrender thereof to the Bond Trustee together with an assignment duly executed by the registered owner or such owner's attorney or legal representative in such form as shall be satisfactory to the Bond Trustee. Upon any such registration of transfer the Issuer shall execute and the Bond Trustee shall authenticate and deliver in exchange for such Bond a new registered Bond or Bonds, registered in the name of the transferee, of any Authorized Denomination or Denominations authorized by this Trust Indenture in the aggregate principal amount equal to the principal amount of such Bond surrendered or exchanged and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the Issuer shall execute and the Bond Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this Trust Indenture. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be cancelled by the Bond Trustee. Registrations of transfer or exchanges of Bonds shall be without charge to the Holders of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Holder of the Bond requesting such registration of transfer or exchange as a condition precedent to the exercise of such privilege. Neither the Issuer nor the Bond Trustee shall be required (i) to issue, transfer or exchange Bonds during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds pursuant to Section 303 hereof and ending at the close of business on the day of such mailing or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

Notwithstanding the foregoing, for so long as the Bonds are held under a Book-Entry System, transfers of beneficial ownership will be effected pursuant to rules and procedures established by the Securities Depository.

Section 209. Ownership of Bonds. The Issuer, the Bond Trustee and any agent of the Issuer or the Bond Trustee may treat the Person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and interest on, such Bond, and for all other purposes whatsoever, whether or not such Bond be overdue, and, to the extent permitted by law, neither the Issuer, the Bond Trustee nor any such agent shall be affected by notice to the contrary.

Section 210. Authorization of Bonds. There shall be issued under and secured by this Trust Indenture Bonds in the aggregate principal amount of [THIRTY FIVE MILLION] DOLLARS ([35,000,000]) for the purpose of providing funds, together with other available funds, to (1) finance the costs of the Project and (2) pay certain expenses incurred in connection with the authorization and issuance of the Bonds.

The Bonds shall be executed substantially in the form and in the manner set forth in Exhibit A hereto and shall be deposited with the Bond Trustee for authentication, but before the Bonds shall be delivered by the Bond Trustee, there shall be filed or deposited with the Bond Trustee the following:

- (a) an originally executed or certified copy of the resolution of the Board of Directors of the Issuer approving the issuance of the Bonds;
- (b) a fully executed counterpart of this Trust Indenture;
- (c) fully executed counterparts of the Agreement, the 1993 Indenture and originally executed Deposited Bonds registered in the name of the Bond Trustee;
- (d) an originally executed or certified copy of the Note, which shall either be accompanied by an assignment thereof to the Bond Trustee without recourse, or bear evidence that it has been otherwise transferred to the Bond Trustee;
- (e) an order or request of the Issuer Representative to authenticate the Bonds and deliver them to the purchasers thereof, upon payment to the Bond Trustee of the purchase price of the Bonds, all as may be specified therein;
- (f) fully executed counterparts of the Remarketing Agreement, the Tender Agreement, the initial Credit Facility, and the initial Credit Facility Provider Agreement;
- (g) opinions of counsel to the Borrower and the Credit Facility Provider satisfactory to Bond Counsel and the Bond Trustee;
- (h) an opinion of Bond Counsel to the Issuer in substantially the form attached as Appendix D to the Official Statement pertaining to the Bonds; and

(i) such other documents, certificates and opinions as Bond Counsel, the Bond Trustee or the Issuer may reasonably require.

When the documents mentioned in paragraphs (a) to (i), inclusive, of this Section shall have been filed with the Bond Trustee and when the Bonds shall have been executed and authenticated as required by this Trust Indenture, the Bond Trustee shall deliver the Bonds at one time to or upon the order of the purchasers named in the order or request to authenticate mentioned in subparagraph (e) of this Section.

Simultaneously with the delivery of the Bonds, the proceeds of the Bonds (exclusive of the underwriter's discount in the amount of \$\_\_\_\_\_) shall be applied by the Bond Trustee as follows:

- (i) to the credit of the Issuance Account, \_\_\_\_\_; and
- (ii) to the credit of the Project Account, the balance (\$\_\_\_\_\_).

Section 211. Temporary Bonds. Until definitive Bonds are ready for delivery, there may be executed, and upon request of the Issuer, the Bond Trustee shall authenticate and deliver in lieu of definitive Bonds and subject to the same limitations and conditions, typewritten, printed, engraved or lithographed temporary Bonds, in the form of fully registered Bonds in Authorized Denominations, substantially of the tenor of the Bonds set forth in this Trust Indenture and with such appropriate omissions, insertions and variations as may be required.

Until definitive Bonds are ready for delivery, any temporary Bond may, if so provided by the Issuer by resolution, be exchanged at the Principal Office, without charge to the Holder thereof, for an equal aggregate principal amount of temporary fully registered Bonds in Authorized Denominations, of like tenor and bearing interest at the same rate.

If temporary Bonds shall be issued, the Issuer shall cause the definitive Bonds to be prepared and to be executed and delivered to the Bond Trustee, and the Bond Trustee, upon presentation to it at its Principal Office of any temporary Bond, shall cancel the same and authenticate and deliver in exchange therefor at the place designated by the Holder, without charge to the Holder thereof, a definitive Bond or Bonds of an equal aggregate principal amount, of the same maturity and bearing interest at the same rate as the temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefit and security of this Trust Indenture as the definitive Bonds to be issued and authenticated hereunder.

Section 212. Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond secured hereby shall become mutilated or be destroyed, stolen or lost, the Issuer shall cause to be executed, and the Bond Trustee shall authenticate and deliver, a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed, stolen or lost, and the Holder shall pay the reasonable expenses and charges of the Issuer and the Bond Trustee in connection therewith and, in case of a Bond destroyed or lost, the Holder shall file with the Bond Trustee evidence satisfactory to it and to the Issuer that such Bond was destroyed or lost, and of such Holder's ownership thereof, and shall furnish the Issuer and the Bond Trustee indemnity satisfactory to them.

Every Bond issued pursuant to the provisions of this Section in exchange or substitution for any Bond which is mutilated, destroyed, lost or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with any and all other Bonds duly issued under this Trust Indenture. All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 213. Replacement Bonds. Except when the Bonds are held in the Book-Entry System, the Issuer shall execute and the Bond Trustee shall authenticate and deliver Replacement Bonds to replace Undelivered Bonds. Any such Replacement Bonds shall be executed and authenticated as provided in this Trust Indenture. The Borrower shall bear all expenses in connection with the preparation and delivery of the Replacement Bonds.

Section 214. Ratably Secured. All Bonds issued hereunder are and are to be, to the extent provided in this Trust Indenture, equally and ratably secured by this Trust Indenture without preference, priority or distinction on account of the actual time or times of the authentication, delivery or maturity of the Bonds so that subject as aforesaid, all Bonds at any time Outstanding shall have the same right, lien and preference under and by virtue of this Trust Indenture and shall all be equally and ratably secured hereby with like effect as if they had all been executed, authenticated and delivered simultaneously on the date hereof, whether the same, or any of them, shall actually be disposed of at such date, or whether they, or any of them, shall be disposed of at some future date. Notwithstanding the foregoing, any Bond that is registered in the name of the Borrower or any Affiliate or is a Bank Bond shall not be entitled to the benefit of the Credit Facility or the Liquidity Facility, if any.

Section 215. Book-Entry System. Initially all Bonds shall be Book Entry Bonds. All Book Entry Bonds shall initially be registered in the name of Cede & Co, as nominee of The Depository Trust Company ("DTC"). The Issuer acknowledges that it has executed and delivered a Letter of Representations to DTC. All payments of principal and purchase price of, redemption premium, if any, and interest on the Book Entry Bonds and all notices with respect thereto, including notices of full or partial redemption, shall be made and given at the times and in the manner set out in the Letter of Representations. The terms and provisions of the Letter of Representations shall govern in the event of any inconsistency between provisions of this Trust Indenture and the Letter of Representations. The Letter of Representations may be amended without the consent of Holders.

The book-entry registration system for all of the Book Entry Bonds may be terminated and certificated Bonds delivered to and registered in the name of the Beneficial Owners, under either of the following circumstances:

(a) DTC notifies the Issuer, the Borrower and the Bond Trustee that it is no longer willing or able to act as Securities Depository for the Book Entry Bonds and a successor

Securities Depository for the Book Entry Bonds is not appointed by the Issuer, at the direction of the Borrower, prior to the effective date of such discontinuation; or

(b) The Issuer and the Borrower determine that continuation of the book-entry system through DTC (or a successor Securities Depository) is not in the best interest of the Borrower.

In the event a successor Securities Depository is appointed by the Issuer, at the direction of the Borrower, the Book Entry Bonds will be registered in the name of such successor Securities Depository or its nominee. In the event certificated Bonds are required to be issued to Beneficial Owners, the Bond Trustee, the Borrower and the Issuer shall be fully protected in relying upon a certificate of DTC or any DTC participant as to the identity and principal amount of Book Entry Bonds held by such Beneficial Owners.

The Beneficial Owners of Bonds will not receive physical delivery of certificates except as provided herein. For so long as there is a Securities Depository for Bonds, all of such Bonds shall be registered in the name of the Securities Depository Nominee, all transfers of beneficial ownership interests in such Bonds will be made in accordance with the rules of the Securities Depository, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of such Bonds is to receive, hold or deliver any certificated Bond. The Issuer, the Bond Trustee, the Tender Agent and the Borrower shall have no responsibility or liability for transfers of beneficial ownership interests in such Bonds.

The Issuer, the Borrower, the Bond Trustee and the Tender Agent will recognize the Securities Depository or its nominee as the Holder of Book Entry Bonds for all purposes, including receipt of payments, notices and voting; provided, the Bond Trustee may recognize votes by or on behalf of Beneficial Owners as if such votes were made by Holders of a related portion of the Bonds when such votes are received in compliance with an omnibus proxy of the Securities Depository or otherwise pursuant to the rules of the Securities Depository or the provisions of the Letters of Representation or other comparable evidence delivered to the Bond Trustee by the Holders.

With respect to Book Entry Bonds, the Issuer, the Borrower, the Bond Trustee and the Tender Agent shall be entitled to treat the person in whose name such Bond is registered as the absolute owner of such Bond for all purposes of this Trust Indenture, and none of the Issuer, the Borrower, the Bond Trustee or the Tender Agent shall have any responsibility or obligation to any Beneficial Owner of such Book Entry Bond. Without limiting the immediately preceding sentence, none of the Issuer, the Borrower or the Bond Trustee shall have any responsibility or obligation with respect to (a) the accuracy of the records of any Securities Depository or any other person with respect to any ownership in Book Entry Bonds, (b) the delivery to any person, other than a Holder, of any notice with respect to Book Entry Bonds, including any notice of redemption or refunding, (c) the selection of the particular Bonds or portions thereof to be redeemed or refunded in the event of a partial redemption or refunding of part of the Bonds Outstanding or (d) the payment to any person, other than a Holder, of any amount with respect to the principal and purchase price of, redemption premium, if any, or interest on Book Entry Bonds.

### ARTICLE III

#### REDEMPTION OF BONDS

Section 301. Redemption Dates and Prices. The Bonds may not be called for redemption by the Issuer except as provided below. If the Borrower exercises its option to prepay the Loan in accordance with Section 7.01, 7.02 or 7.03 of the Agreement, the Bonds will be subject to optional redemption as set forth in Sections 301 (a) or (b) hereof, as the case may be.

(a) Optional Redemption.

(i) On any Business Day during a Daily Interest Rate Period or a Weekly Interest Rate Period, the Bonds shall be subject to optional redemption at the direction of the Borrower Representative, in whole or in part, at a Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest, if any, to the redemption date.

(ii) [Reserved.]

(iii) On the day succeeding the last day of any Bond Interest Term with respect to any Bond bearing interest at a Bond Interest Term Rate, such Bond shall be subject to optional redemption at the direction of the Borrower Representative, in whole or in part, at a Redemption Price equal to 100% of the principal amount of the Bond to be redeemed.

(iv) During any Long-Term Interest Rate Period, the Bonds shall be subject to optional redemption at the direction of the Borrower Representative, (A) on the first day thereof, in whole or in part, at a Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, and (B) thereafter, during the periods specified below or, if approved by Bond Counsel as provided in Section 205(h)(ii) hereof, during the periods specified in the direction of the Borrower pursuant to Section 205(h)(ii)(A) hereof, in whole or in part at any time, at the Redemption Prices (expressed as a percentage of principal amount) hereinafter indicated or specified in the direction of the Borrower pursuant to Section 205(h)(ii)(A) hereof, plus accrued interest, if any, to the redemption date:

Length of Long-Term Interest Rate Period (expressed in years)	Redemption Prices
Greater than 10	After 7 years at 101 %, declining by 1 every year to 100%
Less than or equal to 10 and greater than 7	After 5 years at 101%, declining by 1 every year to 100%
Less than or equal to 7 and greater than 4	After 3 years at 101%, declining by 1 every year to 100%
Less than or equal to 4	After 2 years at 100%

(b) Extraordinary Optional Redemption. If the Borrower exercises its option to prepay the Loan in full or in part as provided in Section 7.02 of the Agreement, the Bonds are required to be redeemed in whole if the Loan is prepaid in full, or in part if the Loan is prepaid in part, on any date, at the direction of the Borrower Representative, and in either event at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, without premium, plus accrued interest to the redemption date.

(c) Reserved.

(d) Reserved.

Section 302. Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in Authorized Denominations. The Bond Trustee shall select the Bonds to be redeemed in accordance with the terms and provisions of this Trust Indenture.

If less than all of the Bonds are to be called for redemption, the Bond Trustee shall first select and call Bank Bonds for redemption before any other Bonds are selected and called for redemption. If, following such selection, additional Bonds must be selected and called for redemption, the Bond Trustee shall select, or arrange for the selection of, in such manner as it shall deem fair and equitable, the Bonds, in portions thereof equal to Authorized Denominations; provided that for so long as the only Holder is a Securities Depository Nominee, such selection shall be made by the Securities Depository. If there shall be called for redemption less than the principal amount of a Bond, the Issuer shall execute and the Bond Trustee shall authenticate and deliver, upon surrender of such Bond, without charge to the Holder thereof in exchange for the unredeemed principal amount of such Bond at the option of such Holder, Bonds in any of the Authorized Denominations or, if the Bonds are held in the Book-Entry System, the Securities Depository shall, acting pursuant to its rules and procedures, reflect in the Book-Entry System the partial redemption and the Bond Trustee shall (i) either exchange the Bond or Bonds held by the Securities Depository for a new Bond or Bonds in the appropriate principal amount, if such Bond is presented to the Bond Trustee by the Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of the Bonds held by such Securities Depository.

Section 303. Notice of Redemption.

(a) Not less than 30 days but not more than 60 days before the redemption date of any Bonds, whether such redemption be in whole or in part, the Bond Trustee shall cause a notice of any such redemption to be mailed, first-class postage prepaid, to all Holders of Bonds to be redeemed in whole or in part. Each such notice shall set forth the CUSIP numbers and bond certificate numbers of the Bonds to be redeemed, the issue date of the Bonds to be redeemed, the date fixed for redemption, the Redemption Price to be paid, the maturity of the Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed, the address and phone number of the Bond Trustee, the date of the redemption notice and that on the redemption date the Bonds are called for redemption will be payable at the Principal Office, that from that date interest will cease to accrue and be payable and that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Bonds. If any Bond is to be redeemed in part only, the notice of

redemption shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond in principal amount equal to the unredeemed portion of such Bond will be issued. Notwithstanding anything in this Section to the contrary, if a Credit Facility is in effect, then unless the Credit Facility Provider has failed to honor a proper drawing under the Credit Facility (and such failure remains uncured), no notice of optional redemption shall be given by the Bond Trustee until (i) the Borrower has deposited with the Bond Trustee moneys in an amount sufficient to reimburse the Credit Facility Provider in accordance with the terms of the Credit Facility Provider Agreement then in effect for the amount of any draw which is permitted to be made, if any, on the Credit Facility in connection with such redemption, or (ii) the Bond Trustee has received written consent from the Credit Facility Provider to such optional redemption and, if not otherwise permitted under the Credit Facility, to draw on the Credit Facility in connection with such redemption.

(b) In the case of an optional redemption under Sections 301 (a) or 301 (b) hereof, the redemption notice may state that (a) it is conditioned upon the deposit of Available Moneys, or Defeasance Obligations purchased with Available Moneys, or a combination of both, in an amount equal to the amount necessary to effect the redemption, with the Bond Trustee no later than the scheduled redemption date or (b) the Borrower retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described in this Section. In the case of a Conditional Redemption subject to the deposit of Available Moneys or Defeasance Obligations, the failure of the Borrower or any other Person to make such Available Moneys or Defeasance Obligations available in part or in whole on or before the scheduled redemption date shall not constitute an Event of Default hereunder and any Bonds subject to such Conditional Redemption shall remain Outstanding. Any Conditional Redemption subject to rescission may be rescinded in whole or in part at any time on or prior to the scheduled redemption date if a Borrower Representative instructs the Bond Trustee in writing to rescind the redemption notice. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default hereunder. If a Conditional Redemption for which notice has been sent to Holders pursuant to Sections 301(a) or 301(b) hereof will not occur, either because Available Moneys or Defeasance Obligations to effect such redemption are not available on or before the scheduled redemption date or the Borrower has rescinded such notice in accordance with this Section, the Bond Trustee shall immediately give notice by Electronic Means to the Securities Depository if all of the Bonds are Book Entry Bonds or the affected Holders of any Bonds that are not Book Entry Bonds that the redemption did not occur and that the Bonds called for redemption and not so paid remain Outstanding.

(c) The Bond Trustee shall also take the following actions with respect to such notice of redemption:

(i) Not less than 30 days prior to the date of redemption, the Bond Trustee shall give notice of such redemption by (A) registered or certified mail, postage prepaid, (B) telephonically confirmed facsimile transmission or (C) overnight delivery service to the following securities depository at the address and transmission numbers given, or such other address or transmission number as may have been delivered in writing to the

Bond Trustee for such purpose not later than the close of business on the day before such notice is given:

The Depository Trust Company  
55 Water Street  
New York, New York 10041  
Facsimile transmission: (212) 855-7232  
(212) 855-7235

(ii) Not less than 30 days prior to the date of redemption, the Bond Trustee shall give notice of such redemption by (A) first class mail, postage prepaid, or (B) overnight delivery service to at least one of the following services selected by the Bond Trustee:

- (A) Financial Information, Inc.'s Financial Daily Called Bond Service;
- (B) FIS-Mergent Called Bond Record; or
- (C) Standard & Poor's J.J. Kenny Called Bond Record.

(d) Failure by the Bond Trustee to give notice pursuant to subparagraph (i) or (ii) of paragraph (c) above to any one or more of the securities depositories or information services named therein shall not affect the sufficiency of the proceedings for redemption. Failure of the Bond Trustee to give notice to a Holder or any defect in such notice shall not affect the validity of the proceedings for redemption of the Bonds of any Holder to whom notice shall have been properly given.

(e) Each check or other transfer of funds issued by the Bond Trustee for the purpose of redeeming Bonds shall bear, to the extent practicable, the CUSIP number identifying the Bonds being redeemed with the proceeds of such check or other transfer.

(f) Notice of redemption of Bonds shall be given by the Bond Trustee, at the expense of the Borrower, for and on behalf of the Issuer.

Section 304. Effect of Calling for Redemption. On or before the date fixed for redemption, Available Moneys, Defeasance Obligations or a combination of both shall be deposited with the Bond Trustee to pay the principal of and the premium, if any, and interest accruing thereon to the redemption date of the Bonds called for redemption.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof called for redemption shall be due and payable at the Redemption Price provided therefor, plus accrued interest to such date. If on the date fixed for redemption Available Moneys, Defeasance Obligations or a combination of both, sufficient to pay the Redemption Price of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by the Bond Trustee in trust for the Holders of Bonds to be redeemed, interest on the Bonds called for redemption shall cease to accrue; such Bonds shall cease to be entitled to any benefits or security under this Trust Indenture or to be deemed Outstanding; and the Holders of such Bonds shall have no rights in respect thereof

except to receive payment of the Redemption Price thereof, plus accrued interest to the date fixed for redemption. Bonds and portions of Bonds for which irrevocable instructions to pay on one or more specified dates or to call for redemption on a specified redemption date have been given to the Bond Trustee in form satisfactory to it shall not thereafter be deemed to be Outstanding under this Trust Indenture and shall cease to be entitled to the security of or any rights under this Trust Indenture, other than rights to receive payment of the Redemption Price thereof and accrued interest thereon to the date fixed for redemption, to be given notice of redemption in the manner provided in Section 303 hereof, and, to the extent hereinafter provided, to receive Bonds for any unredeemed portions of Bonds if Available Moneys or Defeasance Obligations, or a combination of both, sufficient to pay the Redemption Price of such Bonds or portions thereof, together with accrued interest thereon to the date upon which such Bonds are to be paid or redeemed, are held in separate accounts by the Bond Trustee in trust for the Holders of such Bonds.

Section 305. Redemption of Portion of Bonds. If a portion of an Outstanding Bond shall be selected for redemption, the Holder thereof or his attorney or legal representative shall present and surrender such Bond to the Bond Trustee for payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount, and the Issuer shall execute and the Bond Trustee shall authenticate and deliver to or upon the order of such Holder or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bonds so surrendered, a Bond of the same maturity and bearing interest at the same rate.

Section 306. Cancellation. Bonds so redeemed, presented and surrendered shall be cancelled upon the surrender thereof.

Section 307. Use of Defeasance Obligations to Redeem Bonds. For purposes of all Sections in this Article, Defeasance Obligations shall be deemed to be sufficient to pay or redeem Bonds on a specified date if the principal of and the interest on such Defeasance Obligations, when due, will be sufficient to pay on such date the maturing principal or Redemption Price of, and the interest accruing on, such Bonds to such date.

## ARTICLE IV

### PROJECT FUND

Section 401. Project Fund. A special fund is hereby established with the Bond Trustee and designated the "Project Fund" in which there are established a Project Account and an Issuance Account. The Bond Trustee shall make the deposits to the Project Fund required by the provisions of Section 210 hereof.

The money in the Project Fund shall be held by the Bond Trustee in trust and, subject to the provisions of Section 403 hereof, shall be applied to the payment of costs of issuance of the Bonds or to the cost of the Project and, pending such application, shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders until paid out or transferred as provided in this Article IV.

Section 402. Payments from Project Fund. Payment of the issuance costs and costs of the Project shall be made from the Project Fund. All payments from the Project Fund shall be

subject to the provisions and restrictions set forth in this Article, and the Issuer covenants that it will not cause or permit to be paid from the Project Fund any sums except in accordance with such provisions and restrictions.

(a) All issuance costs, within the meaning of Section 147(g) of the Code, incurred in connection with the Bonds to be paid from the initial proceeds of the Bonds shall be paid only from the Issuance Account (collectively, "Issuance Costs"). Examples of such Issuance Costs include, but are not limited to, the following:

- (i) counsel fees (including bond counsel, underwriter's counsel, issuer's counsel, counsel to the Borrower, counsel to the Bank, counsel to the Bond Trustee, and any other specialized counsel fees incurred in connection with the issuance of the Bonds);
- (ii) financial advisor fees incurred in connection with the borrowing;
- (iii) rating agency fees;
- (iv) depository fees incurred in connection with the issuance of the Bonds;

- (viii) costs incurred in connection with the required public approval process (e.g., publication costs for public notices generally and costs of the public hearing); and
- (ix) costs of engineering and feasibility studies necessary to the issuance of the Bonds.

(b) Moneys on deposit in the Project Account may be transferred to the Issuance Account and applied to pay Issuance Costs; provided, however, that the aggregate amount of such transfers, when combined with the amount originally deposited in the Issuance Account pursuant to Section 210 of this Trust Indenture, may not exceed \$\_\_\_\_\_.

**Section 403. Cost of the Project.** For the purpose of this Trust Indenture, the Cost of the Project shall embrace such costs as are eligible costs within the purview of the Act and, without intending thereby to limit or restrict any proper definition of such Cost, shall include the following:

- (a) the cost of all labor, materials and services, the cost of all lands, property, rights, rights of way, easements, franchises and other interests as may be deemed necessary or convenient by the Borrower Representative for such acquisition, construction and equipping, the cost of all machinery and equipment, financing charges, engineering and legal expenses, costs of

plans, specifications, surveys, other expenses necessary or incident to determining the feasibility or practicality of such acquisition, construction and equipping, administrative expenses, and such other expenses as may be necessary or incident to the financing, construction and equipping of the Project and the placing of the Project in operation;

(b) Issuance Costs;

(c) the cost of borings and other preliminary investigations to determine foundation or other conditions, expenses necessary or incident to determining the feasibility or practicability of constructing the Project and fees and expenses of engineers, architects, management consultants and hospital consultants for making studies, surveys and estimates of expenses of engineers and architects for preparing plans and specifications and supervising construction as well as for the performance of all other duties of engineers and architects set forth herein in relation to the acquisition and construction of the Project;

(d) all other items of expense not elsewhere in this Section specified incident to the acquisition of the Project and the financing thereof, including operating reserves, moving expenses, the acquisition of lands, property rights, rights of way, easements, franchises and interests in or relating to lands, including title insurance, cost of surveys and other expenses in connection with such acquisition, and expenses of administration, all properly chargeable, in the opinion of the Borrower Representative, to the acquisition of the Project;

(e) interest accruing on the Bonds prior to the completion of the Project; and

(f) any obligation or expense heretofore or hereafter incurred or paid by the Issuer or the Borrower for any of the foregoing purposes.

**Section 404. Requisitions from Project Fund.** Payments from the Project Fund shall be made in accordance with the provisions of this Section. Before any such payment shall be made, there shall be filed with the Bond Trustee:

(a) a requisition, accompanied by copies of the invoices, payment of which is sought, signed by the Borrower Representative, in substantially the form attached hereto as Exhibit B, stating:

(i) the item number of each such payment,

(ii) the name of the person, firm or corporation to whom each such payment has been (together with applicable receipts) or should be made,

(iii) the respective amounts paid or to be paid, excluding any applicable sales tax, and

(iv) that obligations in the stated amounts have been incurred by the Borrower and are presently due and payable and that each item thereof is a proper charge against either the Issuance Account or the Project Account of the Project Fund, and has not been paid.

Upon receipt of each requisition, the Bond Trustee shall pay the obligations set forth in such requisition out of money in the Issuance Account or Project Account of the Project Fund, as applicable, and each such obligation shall be paid by check signed by one or more officers or employees of the Bond Trustee designated for such purpose by the Bond Trustee or in accordance with wire instructions provided to the Bond Trustee. In making such payments the Bond Trustee may rely conclusively upon such requisitions. If for any reason the Borrower should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Bond Trustee, and thereupon the Bond Trustee shall not make such payment.

Section 405. Reliance upon Requisitions. All requisitions and opinions received by the Bond Trustee as conditions of payment from the Project Fund may be relied upon by the Bond Trustee and shall be retained by the Bond Trustee, subject at all reasonable times upon reasonable notice to the Bond Trustee to examination by the Issuer, and the Borrower.

Section 406. Disposition of Project Fund. When all Issuance Costs and Costs of the Project have been paid, which fact shall be evidenced to the Bond Trustee by an Officer's Certificate of the Borrower Representative delivered to the Bond Trustee and the Issuer, the balance in the Project Fund shall be applied by the Bond Trustee, at the direction of the Borrower and subject to Section 604 hereof, for any purpose, including the payment of principal of the Bonds, permitted by the Act which, in the opinion of Bond Counsel, will not cause interest on the Bonds to become includable in the gross income of the Holders thereof for federal income tax purposes pursuant to the provisions of the Code. In the event such opinion is not delivered to the Bond Trustee, the balance in the Project Fund shall be transferred by the Bond Trustee to the Redemption Fund and shall be used to redeem Bonds on the earliest practicable redemption date.

## ARTICLE V

### REVENUES AND APPLICATION THEREOF

Section 501. Establishment of Funds. In addition to the Project Fund established by Article IV hereof, there are hereby established the following funds with the Bond Trustee:

- (a) the "Bond Fund" in which there are established a Principal Account and an Interest Account; and
- (b) the "Redemption Fund".

The money and securities in each of said funds and accounts shall be held in trust by the Bond Trustee and applied as hereinafter provided and, pending such application, the money and securities in each of said funds and accounts shall be subject to a lien and charge in favor of the Holders and for the further security of such Holders.

Section 502. Deposit of Funds Received; Application of Funds.

- (a) The Bond Trustee shall deposit all amounts received as Loan Repayments in the following order, subject to credits as provided in this Article V:

(i) to the credit of the Interest Account, while the Bonds bear interest at a Daily Interest Rate, a Weekly Interest Rate, or Bond Interest Term Rates, on the Business Day immediately preceding each Interest Payment Date, and, while the Bonds bear interest at a Long-Term Interest Rate, on the 25th day of the month preceding each Interest Payment Date, an amount equal to the interest payable on the Bonds on such Interest Payment Date, less any applicable credit under this Section 502; provided, however, that if the interest rate on the Bonds is subject to adjustment pursuant to Section 205 hereof after the date of such required deposit, interest accruing on the Bonds from such adjustment date shall be assumed to accrue at the Ceiling Rate; provided, further, that if a Credit Facility is in effect, no deposit shall be required to be made until such Interest Payment Date;

(ii) into the Principal Account, on \_\_\_\_\_, the amount required to be paid at maturity on such \_\_\_\_\_;

(iii) to the credit of the Interest Account, any amounts that may from time to time be required to enable the Bond Trustee to pay the accrued interest on Bonds purchased or redeemed from money in the Redemption Fund in accordance with Section 505 hereof; and

(iv) to the credit of the Redemption Fund, any amounts that may from time to time be required to enable the Bond Trustee to pay principal of the Bonds and any redemption premiums as and when the Bonds are called for redemption.

If, after giving effect to the credits specified below, any installment of Loan Repayments is insufficient to enable the Bond Trustee to make the deposits required above, the Bond Trustee shall so notify the Borrower and request that each future installment of the Loan Repayments be increased as may be necessary to make up any previous deficiency in any of the required payments and to make up any deficiency or loss in any of the above-mentioned funds and accounts.

To the extent that principal of, redemption premium, if any, or interest on the Bonds is to be paid from amounts drawn under a Credit Facility and deposited in the Interest Account or the Redemption Fund, as appropriate, deposits then due to be made into such funds and accounts and future deposits to such funds and accounts shall be reduced by the amount so deposited, and the Loan Repayments due on or following the date such amounts are deposited will be reduced by the amounts so deposited.

To the extent that investment earnings are credited to the Interest Account or that amounts are credited thereto as a result of a transfer of investment earnings on any other fund or account held by the Bond Trustee, or otherwise, future deposits to such accounts shall be reduced by the amount so credited, and the Loan Repayments due following the date upon which such amounts are credited shall be reduced by the amounts so credited.

All amounts received by the Bond Trustee as principal of or interest accruing on the Bonds to be redeemed as a result of a prepayment of the Note shall be deposited in the Redemption Fund and the Interest Account, respectively, when received. All amounts received

by the Bond Trustee as redemption premiums shall be deposited in the Redemption Fund when received.

While a Credit Facility is in effect, each deposit into the Bond Fund or the Redemption Fund not constituting Available Moneys shall be placed in a separate subaccount within the Interest Account or the Redemption Fund, as appropriate, and may not be commingled with other money in any such subaccount until such money becomes Available Moneys.

(b) The Issuer hereby authorizes and directs the Bond Trustee, and the Bond Trustee hereby agrees, to withdraw from the Interest Account or the Redemption Fund, as applicable, and make available at the Principal Office of the Bond Trustee sufficient funds (to the extent available) to pay the principal of, redemption premium, if any, and interest on the Bonds as the same become due and payable, whether due on an Interest Payment Date, by maturity, acceleration, redemption or otherwise, only in the following order of priority:

FIRST: Amounts drawn by the Bond Trustee under a Credit Facility.

SECOND: Available Moneys on deposit in such funds or accounts, other than amounts received by the Bond Trustee in respect of drawings under a Credit Facility.

THIRD: Any other amounts in such funds or accounts, including but not limited to moneys obtained from the Borrower.

(c) After provision is made for the payment of the principal of, redemption premium, if any, or interest on any Bonds on a given payment date and to the extent that the Credit Facility Provider has not been reimbursed by the Borrower, the Bond Trustee shall pay the Credit Facility Provider, on its request (as specified in such request), the amount necessary to reimburse the Credit Facility Provider for money owed to it under the Credit Facility Provider Agreement from amounts on deposit in the Interest Account or the Redemption Fund, as appropriate.

Section 503. Application of Money in Interest Account. If the Bonds are not in a Book-Entry System, not later than 1:00 P.M. on each Interest Payment Date, or date for the payment of Defaulted Interest, or date upon which Bonds are to be redeemed, the Bond Trustee shall withdraw from the Interest Account and remit by mail, or, to the extent permitted by Section 205(k) hereof, by wire transfer, to each Holder which is not a Securities Depository Nominee the amount required for paying interest on such Bonds when due and payable.

If the Bonds are in a Book-Entry System, at such time as to enable the Bond Trustee to make payments of interest on the Bonds in accordance with any existing agreement between the Bond Trustee and any Securities Depository, the Bond Trustee shall withdraw from the Interest Account and remit by wire transfer, in Federal Reserve or other immediately available funds, the amounts required to pay to any Holder which is a Securities Depository Nominee interest on the Bonds on the next succeeding Interest Payment Date; provided, however, that in no event shall the Bond Trustee be required to make such wire transfer prior to the Business Day next preceding each Interest Payment Date, and provided further that such wire transfer shall be made not later than 1:00 P.M. on each Interest Payment Date.

If a Credit Facility is in effect and the Credit Facility Provider fails to pay a conforming draw in immediately available funds by 1:00 p.m. on an Interest Payment Date, the Bond Trustee shall immediately notify the Borrower of the amount of the deficiency. Upon notification, the Borrower shall immediately deliver to the Bond Trustee an amount sufficient to cure the same.

If no Credit Facility is in effect, then in the event the balance in the Interest Account on (i) the Business Day next preceding an Interest Payment Date, or date on which Bonds are to be redeemed, while the Bonds bear interest at a Daily Interest Rate, a Weekly Interest Rate, or Bond Interest Term Rates, or (ii) on the 26th day of the month next preceding an Interest Payment Date or date upon which Bonds are to be redeemed, while the Bonds bear interest at a Long-Term Rate, is insufficient for the payment of interest becoming due on the Bonds on such Interest Payment Date or date upon which Bonds are to be redeemed, the Bond Trustee shall notify the Borrower of the amount of the deficiency. Upon notification, the Borrower shall immediately deliver to the Bond Trustee an amount sufficient to cure the same.

Section 504. Reserved.

Section 505. Application of Money in Redemption Fund. Money held for the credit of the Redemption Fund shall be applied to the purchase or redemption of Bonds, as follows:

(a) At the direction of the Borrower Representative, the Bond Trustee shall attempt to purchase and cancel Bonds or portions thereof, whether or not such Bonds or portions thereof shall then be subject to redemption, at the market price obtainable with reasonable diligence, such price not to exceed the Redemption Price that would be payable on the next redemption date to the Holder of such Bonds under the provisions of Article III hereof if such Bonds or portions thereof should be called for redemption on such date from the money in the Redemption Fund. The Bond Trustee shall pay the interest accrued on such Bonds or portions thereof to the date of settlement therefor from the Interest Account and from other funds provided by or on behalf of the Borrower and the purchase price from the Redemption Fund, but no such purchase shall be made by the Bond Trustee from money in the Redemption Fund within the period of 45 days immediately preceding any date on which such Bonds are subject to redemption; and

(b) The Bond Trustee shall call for redemption on the redemption date specified by the Issuer at the direction of the Borrower Representative such amount of Bonds or portions thereof as, with the redemption premium, if any, will exhaust the money then held for the credit of the Redemption Fund as nearly as may be practicable; provided, however, that, not less than Fifty Thousand Dollars (\$50,000) principal amount of Bonds shall be called for redemption at any one time. Such redemption shall be made pursuant to the provisions of Article III hereof. On the redemption date the Bond Trustee shall withdraw from the Interest Account and from the Redemption Fund and, not later than 10:00 A.M. on such date, set aside the respective amounts required for paying the interest on and the Redemption Price of the Bonds or portions thereof so called for redemption.

Upon the retirement of any Bonds by purchase or redemption pursuant to the provisions of this Section, the Bond Trustee shall file with the Issuer and the Borrower a statement identifying such Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such Bonds and the amount paid as interest thereon.

The expenses in connection with the purchase or redemption of any such Bonds are required to be paid by the Borrower as part of the Required Payments under the Agreement.

Section 506. Money Held in Trust. All money that the Bond Trustee shall have withdrawn from the Bond Fund or shall have received from any other source and set aside for the purpose of paying any of the Bonds hereby secured, either at the maturity thereof or by purchase or call for redemption or for the purpose of paying any interest on the Bonds hereby secured, shall be held in trust for the respective Holders. Any money that is so set aside or transferred and that remains unclaimed by the Holders for a period of two years (or, if less, one day before such money would escheat to the State under then applicable South Carolina law) after the date on which such Bonds have become payable shall be paid to the Borrower, and thereafter the Holders shall look only to the Borrower for payment, as an unsecured general creditor, and then only to the extent of the amounts so received, without any interest thereon, and the Bond Trustee and the Issuer shall have no responsibility with respect to such money.

Section 507. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Bond Trustee when such payment, redemption or purchase is made, and such Bonds shall be cancelled. The Bond Trustee shall certify to the Issuer and the Borrower the details of all Bonds so cancelled. All Bonds cancelled under any of the provisions of this Trust Indenture shall, as directed in writing by the Issuer Representative, be either delivered to the Issuer or destroyed by the Bond Trustee, which shall, in such event, execute a certificate in duplicate describing the Bonds so destroyed, and one executed certificate shall be filed with the Issuer and one executed certificate shall be retained by the Bond Trustee.

Section 508. Disposition of Funds Balances. After provision shall be made for the payment of all Outstanding Bonds issued under this Trust Indenture, including the interest thereon, and for the payment of all other obligations, expenses and charges required to be paid under or in connection with this Trust Indenture and the Agreement and, assuming the existence of no other indentures or other agreements imposing a continuing lien on the balances hereinafter mentioned, the Bond Trustee shall pay, as an overpayment of Total Required Payments, all amounts in any fund or account then held by it under this Trust Indenture to the Borrower; provided, however, that if a continuing lien has been imposed on any such balance by another, indenture or agreement as to which the Bond Trustee has received actual notice, the Bond Trustee shall pay such balance to such person as such, indenture or agreement shall provide.

## **ARTICLE VI**

### **DEPOSIT OF MONEYS; INVESTMENT OF FUNDS**

Section 601. Security for Deposits. Any and all money received by the Issuer under the provisions of this Trust Indenture shall be deposited as received by the Issuer with the Bond Trustee and shall be trust funds under the terms hereof and shall not be subject to any lien or attachment by any creditor of the Issuer or the Borrower. Such money shall be held in trust and applied in accordance with the provisions of this Trust Indenture.

All money deposited with the Bond Trustee hereunder in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency shall be

continuously secured, for the benefit of the Issuer and the Holders, either (a) by lodging with a bank or trust company chosen by the Bond Trustee or custodian or, if then permitted by law, by setting aside under control of the trust department of the bank holding such deposit, as collateral security, Government Obligations or other marketable securities eligible as security for the deposit of trust funds under regulations of the Comptroller of the Currency of the United States or applicable State law or regulations, having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (b) if the furnishing of security as provided in clause (a) above is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that it shall not be necessary for the Bond Trustee to give security for the deposit of any money with it for the payment of the principal of or the redemption premium or the interest on any Bonds, or for the Bond Trustee to give security for any money that shall be represented by obligations purchased under the provisions of this Article as an investment of such money.

All money deposited with the Bond Trustee shall be credited to the particular fund or account to which such money belongs.

**Section 602. Investment of Money.** Money held for the credit of all funds and accounts created under this Trust Indenture and held by the Bond Trustee shall be continuously invested and reinvested by the Bond Trustee in Permitted Investments to the extent practicable in accordance with the instructions of the Borrower as provided herein. Any such Permitted Investments shall mature not later than the respective dates when the money held for the credit of such funds or accounts will be required for the purposes intended.

No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Bonds Outstanding at the time such Permitted Investments are deposited unless irrevocable instructions shall have been given to redeem such Permitted Investments on a date or dates not later than the latest maturity date of any Bonds Outstanding. For the purposes of this Section, the maturity date of repurchase agreements for Government Obligations or other obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying Government Obligations or other obligations.

The Borrower shall give to the Bond Trustee written directions or telephonic instructions that are confirmed immediately in writing respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article, and the Bond Trustee shall then invest such money under this Section as so directed by the Borrower. The Bond Trustee may request, in writing, direction or authorization of the Borrower with respect to the proposed investment of money under the provisions of this Trust Indenture. Upon receipt of such request, accompanied by a memorandum setting forth the details of any proposed investment, the Borrower will either approve in writing such proposed investment or will give written directions to the Bond Trustee respecting the investment of such money and, in the case of such directions, the Bond Trustee shall then, subject to the provisions of this Article, invest such money in accordance with such directions. With respect to all investments, the Bond Trustee shall keep all records required under the Tax Agreement.

Permitted Investments credited to any fund or account established under this Trust Indenture shall be held by or under the control of the Bond Trustee and while so held shall be deemed at all times to be part of such fund or account in which such money was originally held, and the interest accruing thereon and any profit or loss realized upon the disposition or maturity of such investment shall be credited to or charged against such fund or account. The Bond Trustee shall sell at the market price available or reduce to cash a sufficient amount of such Permitted Investments whenever it shall be necessary so to do in order to provide moneys to make any payment or transfer of moneys from any such fund or account. Neither the Bond Trustee nor the Issuer shall be liable or responsible for any loss resulting from any investment or the sale of any investment made in accordance with the provisions of this Section or for the tax consequences thereof. The Bond Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Borrower Representative.

Whenever a payment or transfer of money between two or more of the funds or accounts established pursuant to Article V hereof is permitted or required, such payment or transfer may be made in whole or in part by transfer of one or more Permitted Investments at a value determined in accordance with this Article VI, provided that the Permitted Investments transferred are those in which moneys of the receiving fund or account could be invested at the date of such transfer.

**Section 603. Valuation.** For the purpose of determining the amount on deposit in any fund or account, Permitted Investments in which money in such fund or account is invested shall be valued at the market value thereof.

The Bond Trustee shall value the Permitted Investments in the funds and accounts established under this Trust Indenture and held by the Bond Trustee on the last Business Day of each \_\_\_\_\_ and at such other times, as specifically requested by the Borrower in writing, as shall be required in order for the Borrower to comply with the Tax Agreement. In addition, the Permitted Investments shall be valued by the Bond Trustee at any time requested by the Issuer Representative or the Borrower Representative on reasonable notice to the Bond Trustee (which period of notice may be waived or reduced by the Bond Trustee); provided, however, that the Bond Trustee shall not be required to value the Permitted Investments more than once in any calendar month other than as provided herein.

**Section 604. Covenant as to Arbitrage.** The Issuer and the Bond Trustee agree that money on deposit in any fund or account maintained in connection with the Bonds, whether or not such money was derived from the proceeds of the sale of the Bonds or from any other sources, and whether or not the Bonds are Outstanding hereunder, (i) will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and (ii) will be used in a manner that will cause the Bonds not to be "arbitrage bonds" within the meaning of Section 148 of the Code; provided, however, that neither the Issuer nor the Bond Trustee shall have an obligation to pay any amounts necessary to comply with this covenant other than from money received by the Issuer or the Bond Trustee from the Borrower. The Issuer and the Bond Trustee shall observe and not violate the requirements of Section 148 of the Code. The Bond Trustee shall be fully protected in relying upon any written investment instruction given by the Borrower. In the event the Issuer is of the opinion that it is necessary to

restrict or limit the yield on the investment of money held by the Bond Trustee pursuant to this Trust Indenture, or to use such money in certain manners, in order to avoid the Bonds being considered "arbitrage bonds" within the meaning of Section 148 of the Code as such may be applicable to the Bonds at such time, the Issuer may issue to the Bond Trustee a written certificate to such effect and appropriate instructions, in which event the Bond Trustee shall take such action as is set forth in such certificate and instructions, irrespective of whether the Bond Trustee shares such opinion.

## ARTICLE VII

### PARTICULAR COVENANTS AND PROVISIONS

Section 701. Covenant to Pay Bonds; Bonds Limited Obligations of the Issuer. The Issuer shall cause to be paid when due the principal of (whether at maturity, by acceleration, by call for redemption or otherwise), the premium, if any, and interest on and the purchase price of the Bonds at the places, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof; provided, that it is understood that such obligations are not general obligations of the Issuer. The Bonds are limited obligations of the Issuer. The principal of, and premium, if any, and interest thereon are payable solely out of the revenues derived by the Issuer under the Agreement and otherwise out of the Trust Estate pledged hereunder and any other security therefor. The Bonds are additionally entitled to the benefit and security of the 1993 Indenture by virtue of the issuance of and deposit with the Bond Trustee of the Deposited Bonds as additional security hereunder, which Deposited Bonds are secured by the 1993 Indenture equally and ratably with all other Securities (as such term is defined in the 1993 Indenture) from time to time hereafter issued and outstanding thereunder. The Bonds do not constitute an indebtedness of the State or the Issuer within the meaning of any state constitutional provision or statutory limitation (other than Article X, Section 13(9) of the State Constitution permitting indebtedness payable solely from a source of revenues derived other than from a tax or license). The Bonds do not constitute nor give rise to a pecuniary liability of the State or the Issuer or a charge against the general credit of the Issuer or the State or the taxing powers of the State. The Issuer has no taxing powers. No owner of any Bond shall have the right to demand payment of the principal of or premium, if any, or interest on any Bonds from any funds raised by taxation.

Section 702. Covenants to Perform Obligations under this Trust Indenture. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Trust Indenture, in the Bonds executed and delivered hereunder and in all proceedings of the Issuer pertaining thereto and will faithfully observe and perform at all times any and all covenants, undertakings, stipulations and provisions of the Agreement on its part to be observed or performed. The Issuer covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the Act, to issue the Bonds authorized hereby and to execute this Trust Indenture, to assign the Agreement and the Note and to pledge the revenues, receipts, proceeds and funds derived in respect thereof, in the manner and to the extent herein set forth as security for the Bonds; and that all action on its part for the issuance of the Bonds issued hereunder and the execution and delivery of this Trust Indenture has been duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and binding obligations of the

Issuer according to their terms, subject to bankruptcy, insolvency and other laws affecting creditors' rights generally and usual equitable principles.

Section 703. Covenant as to the Agreement. The Issuer covenants that it will fulfill its obligations and that it will require the Borrower to perform its duties and obligations under the Note and the Agreement. The Issuer shall promptly notify the Bond Trustee and the Borrower of any actual or alleged Event of Default of which it has knowledge and shall not execute or agree to any change, amendment, modification or supplement of or to this Trust Indenture and the Agreement, except as is provided in the Agreement and this Trust Indenture. The Issuer shall administer the Agreement in accordance with its terms and shall not agree to any reduction, abrogation, waiver, diminution or other modification in any manner and to any extent whatsoever of the obligation of the Borrower to make the Total Required Payments as provided in the Agreement.

Section 704. Enforcement of the Agreement and the Note. The Bond Trustee may enforce all rights of the Issuer and all obligations of the Borrower under the Agreement and the Note for and on behalf of the Holders, whether or not the Issuer is in default hereunder.

Section 705. Further Instruments and Actions. At the request of the Borrower Representative or the Bond Trustee, the Issuer shall execute and deliver such further instruments or take such further actions as may be required to carry out the purposes of this Trust Indenture and the Agreement.

Section 706. Exclusion From Gross Income Covenant. The Issuer covenants that it will not knowingly take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the owners thereof for federal income tax purposes pursuant to the provisions of the Code; provided, however, that the Issuer shall have no obligation to pay any amounts necessary to comply with this covenant other than from money received by the Issuer from the Borrower.

## **ARTICLE VIII**

### **DEFAULT PROVISIONS AND REMEDIES**

Section 801. Events of Default. Any one of the following shall constitute an Event of Default hereunder:

(a) payment of any installment of interest on any Bond shall not be made when the same shall become due and payable;

(b) payment of the principal or the redemption premium, if any, of any Bond shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption, acceleration, or otherwise;

(c) payment of the purchase price of any Bonds tendered or deemed tendered for purchase on any purchase date shall not be made when the same shall become due and payable;

(d) default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in this Trust Indenture or any agreement supplemental hereto or thereto and such default shall continue for 30 days or such further time as the Bond Trustee in its sole discretion deems to be in the best interests of the Holders as may be granted in writing by the Bond Trustee after receipt by the Issuer of a written notice from the Bond Trustee specifying such default and requiring the same to be remedied; provided, however, if prior to the expiration of such 30-day period the Issuer institutes action reasonably designed to cure such default, no Event of Default shall be deemed to have occurred upon the expiration of such 30-day period for so long as the Issuer pursues such curative action with reasonable diligence and provided that such curative action can be completed within a reasonable time;

(e) an "Event of Default" shall have occurred under the Agreement, and such "Event of Default" shall not have been remedied or waived;

(f) if a Credit Facility is in effect, the Bond Trustee shall have received written notice from the Credit Facility Provider that an "Event of Default" has occurred under the Credit Facility Provider Agreement, and such "Event of Default" has not been remedied or waived;

(g) if a Credit Facility is in effect that does not provide for automatic reinstatement of drawings to pay interest on the Bonds, the Bond Trustee shall have received, within the period specified in the Credit Facility for delivery of a notice that the amount of an interest drawing will not be reinstated, written notice from the Credit Facility Provider that it has not been reimbursed for the amount of an interest drawing together with interest, if any, due pursuant to the Credit Facility Provider Agreement and that the amount of such drawing will not be reinstated as provided in the Credit Facility; or

(h) a declaration occurs under Section 1102 of the 1993 Indenture that the principal of the Deposited Bonds is immediately due and payable.

Section 802. Acceleration. Upon the happening and continuance of any Event of Default, the Bond Trustee may, with the prior written consent of the Bond Insurer, if any, or the Credit Facility Provider, if any, and upon (i) the direction of the Bond Insurer, if any, or the Credit Facility Provider, if any, or Holders of not less than 25 in aggregate principal amount of Bonds then Outstanding, with the prior written consent of the Bond Insurer, if any, or the Credit Facility Provider, if any, or (ii) the occurrence of an Event of Default under (a), (b), (c), (f), (g) or (h) of Section 801 hereof, the Bond Trustee immediately shall, by notice in writing to the Issuer, the Borrower, the Bond Insurer, if any, and the Credit Facility Provider, if any, declare the principal of all Bonds then Outstanding (if not then due and payable) to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, anything contained in the Bonds or in this Trust Indenture to the contrary notwithstanding, and to the extent that the principal of the Deposited Bonds shall not then have been declared to be immediately due and payable, the Bond Trustee shall take such action as may be necessary to effect the redemption of the Deposited Bonds and/or request the 1993 Trustee to declare the principal of the Deposited Bonds to be immediately due and payable pursuant to Section 1102 of the 1993 Indenture; provided, however, that (1) if at any time after the principal of Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default,

or before the completion of the enforcement of any other remedy under this Trust Indenture, money shall have accumulated in or shall have been paid into the Bond Fund sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, upon all Bonds then Outstanding (except the principal of any Bond not then due and payable by its terms and the interest accrued on such since the last Interest Payment Date), and the charges, compensations, expenses, disbursements, advances and liabilities of the Bond Trustee and all other amounts then payable by the Issuer hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Bond Trustee, and every other default known to the Bond Trustee in the observance or performance of any covenant, condition or agreement contained in the Bonds or in this Trust Indenture (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this Section) shall have been remedied to the satisfaction of the Bond Trustee, then and in every such case the Bond Trustee may, with the prior written consent of the Bond Insurer or upon the written request of the Holders of not less than 25 percent in aggregate principal amount of Bonds not then due and payable by their terms (Bonds then due and payable only because of a declaration under this Section shall not be deemed to be due and payable by their terms) and then Outstanding, with the prior written request of the Bond Insurer, shall, by written notice to the Issuer, and the Borrower, rescind and annul such declaration and its consequences, and the Bond Trustee shall thereupon rescind its request to the 1993 Trustee to declare the principal of the Deposited Bonds to be immediately due and payable pursuant to Section 1102 of the 1993 Indenture, or (2) if, after an Event of Default under Section 801(h) the principal of, and accrued interest on, the Bonds have been declared immediately due and payable, the declaration of acceleration of the Deposited Bonds shall be annulled in accordance with the provisions of the 1993 Indenture, the declaration of acceleration of the Bonds shall be automatically annulled, and the Bond Trustee shall promptly give written notice of such annulment to the Issuer and the Borrower and notice to Bondholders in the same manner as a notice of redemption under Article IV hereof, but in either event, no such rescission or annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Notwithstanding the provisions of the foregoing paragraph, the prior written consent of the Credit Facility Provider to any declaration of acceleration must be obtained by the Bond Trustee in the case of any Event of Default under (d) or (e) of Section 801 hereof. If a Credit Facility is in effect upon any declaration of acceleration hereunder, the Bond Trustee shall immediately draw upon such Credit Facility as provided in Section 1201(b) hereof. If the Credit Facility Provider honors the drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall accrue only to the date of such declaration and the Bond Trustee shall pay the principal of and interest on the Bonds to the Holders immediately following the receipt of funds from such drawing. If no Credit Facility is in effect or the Credit Facility Provider fails to honor the drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall cease to accrue as provided in Section 804 hereof. Immediately following any declaration of acceleration, the Bond Trustee shall cause to be mailed notice of such declaration by first class mail, postage prepaid, to each Holder of a Bond at his last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

In the event the maturity date of the Bonds is accelerated, the Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest on such principal to the date of

acceleration, and the Bond Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest to the date of acceleration, the Bond Insurer's obligations under the Bond Insurance Policy shall be discharged with respect to such Bonds so paid.

Section 803. Enforcement of Remedies. Upon the happening and continuance of any Event of Default, then and in every such case the Bond Trustee may, with the prior written consent of the Bond Insurer and shall upon (i) the direction of the Bond Insurer or (ii) the direction of the Holders of not less than 25 percent in aggregate principal amount of Bonds then Outstanding and the prior written consent of the Bond Insurer, proceed, subject to the provisions of Section 902 hereof, to protect and enforce its rights and the rights of the Holders under the laws of the State or under this Trust Indenture by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Bond Trustee, being advised by counsel chosen by the Bond Trustee, shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy under this Trust Indenture, the Bond Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any Event of Default becoming and remaining due from the Issuer for principal, interest or otherwise under any of the provisions of this Trust Indenture or of the Bonds, together with interest on overdue payments of principal at the rate or rates of interest payable on any Bonds Outstanding and all costs and expenses of collection and of all proceedings hereunder, without prejudice to any other right or remedy of the Bond Trustee or of the Holders and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein, for any portion of such amounts remaining unpaid and interest, costs and expenses as above provided, and to collect (but solely from money available for such purposes), in any manner provided by law, the money adjudged or decreed to be payable.

Notwithstanding the provisions of this Section, the prior written consent of the Credit Facility Provider to any enforcement of remedies must be obtained by the Bond Trustee in the case of any Event of Default under (d) or (e) of Section 801 hereof.

Section 804. Pro-Rata Application of Funds. Anything in this Trust Indenture to the contrary notwithstanding, if at any time the money in the Bond Fund shall not be sufficient to pay the interest on or the principal of Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 802 hereof), such money, together with any money then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) to the payment of the cost and expenses of any proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bond Trustee, including reasonable attorneys' fees, and all other outstanding fees and expenses of the Bond Trustee, and thereafter any fees, expenses, liabilities and advances due to, or incurred or made by, the Tender Agent and the Remarketing Agent;

(b) to the payment of any sums due to the Issuer under the Loan Agreement (other than Loan Repayments);

(c) if the principal of all Bonds shall not have become or shall not have been declared due and payable, all such money in the Bond Fund shall be applied:

first: to the payment to the persons entitled thereto of all installments of interest on Bonds then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds;

second: to the payment to the persons entitled thereto of the unpaid principal of any Bonds that shall have become due and payable (other than Bonds called for redemption for the payment of which money is held pursuant to the provisions of this Trust Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full the principal of Bonds due and payable on any particular date, then to the payment ratably according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and

third: to the payment of the interest on and the principal of Bonds, to the purchase and retirement of Bonds, and to the redemption of Bonds, all in accordance with the provisions of Article III hereof.

(d) If the principal of all Bonds shall have become or shall have been declared due and payable, all such money shall be applied to the payment of principal and interest then due upon the Bonds without preference to the persons entitled thereto without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest or any Bond over any other Bond ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto, without any discrimination or preference.

(e) If the principal of all Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 802 hereof, then, subject to the provisions of paragraph (b) of this Section in the event that the principal of all Bonds shall later become due and payable or be declared due and payable, the money then remaining in and thereafter accruing to the Bond Fund shall be applied in accordance with the provisions of paragraph (a) of this Section.

Whenever money is to be applied by the Bond Trustee pursuant to the provisions of this Section, such money shall be applied by the Bond Trustee at such times and from time to time, as the Bond Trustee in its sole discretion shall determine, having due regard for the amount of such money available for such application and the likelihood of additional money becoming available for such application in the future; the setting aside of such money, in trust for the proper purpose, shall constitute proper application by the Bond Trustee, and the Bond Trustee shall incur no liability whatsoever to the Issuer, to any Holder or to any other person for any delay in applying

any such money so long as the Bond Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Trust Indenture as may be applicable at the time of application by the Bond Trustee. Whenever the Bond Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Bond Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Bond Trustee shall give notice by first class mail, postage prepaid, to all Holders of the fixing of any such date, and shall not be required to make payment to the Holder of any Bonds until such Bonds shall be surrendered to the Bond Trustee for cancellation if fully paid.

Notwithstanding the provisions of this Section, if a Credit Facility is in effect, (i) no amounts shall be paid pursuant to (a) and (b) of this Section from money derived from a drawing under the Credit Facility, proceeds from remarketing of Bonds or money held for the payment of Undelivered Bonds, and (ii) unless the Credit Facility permits drawings to pay redemption premium with respect to the Bonds, no money derived from a drawing under the Credit Facility shall be used to pay redemption premium with respect to the Bonds.

Section 805. Effect of Discontinuance of Proceedings. If any proceeding taken by the Bond Trustee or Holders on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case, the Issuer, the Bond Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bond Trustee shall continue as though no proceeding had been taken.

Section 806. Control of Proceedings. The Holders of a majority in aggregate principal amount of Bonds then Outstanding, with the prior written consent of the Bond Insurer, shall have the right, subject to the provisions of Section 902 hereof, by an instrument or concurrent instruments in writing executed and delivered to the Bond Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Bond Trustee hereunder, provided that such direction shall be in accordance with law and the provisions of this Trust Indenture. Notwithstanding the foregoing provisions of this Section, if a Credit Facility is in effect, the Credit Facility Provider, not the Holders, shall have the right, subject to the provisions of Section 902 hereof, by an instrument in writing executed and delivered to the Bond Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Bond Trustee hereunder, provided that such direction shall be in accordance with law and the provisions of this Trust Indenture.

Section 807. Restrictions upon Actions by Individual Holders. Except as provided in Section 812 hereof, no Holder shall have any right to institute any suit, action or proceeding in equity or at law on any Bond or for the execution of any trust hereunder or for any other remedy hereunder unless such Holder previously shall have given to the Bond Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than 25 percent in aggregate principal amount of Bonds then Outstanding shall have made a written request of the Bond Trustee after the right to exercise such powers or right of action as the case may be, shall have accrued, and shall have afforded the Bond Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove

granted or to institute such action, suit or proceedings in its or their name, unless the Bond Insurer has consented to such suit, action or proceeding and unless, also, there shall have been offered to the Bond Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Bond Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Bond Trustee, to be conditions precedent to the execution of the powers and trusts of this Trust Indenture or to any other remedy hereunder. Notwithstanding the foregoing provisions of this Section and without complying therewith, the Holders of not less than 25 percent in aggregate principal amount of Bonds then Outstanding may institute any such suit, action or proceeding in their own names for the benefit of all Holders hereunder. It is understood and intended that, except as otherwise above provided, no one or more Holders shall have any right in any manner whatsoever by his or their action to affect, disturb or prejudice the security of this Trust Indenture, or to enforce any right hereunder except in the manner provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Holders and that any individual rights of action or other right given to one or more of such Holders by law are restricted by this Trust Indenture to the rights and remedies herein provided.

**Section 808. Enforcement of Rights of Action.** All rights of action (including the right to file proof of claim) under this Trust Indenture or under any Bonds may be enforced by the Bond Trustee without the possession of any Bonds or the production thereof in any proceedings relating thereto, and any such suit or proceedings instituted by the Bond Trustee shall be brought in its name as Bond Trustee, without the necessity of joining as plaintiffs or defendants any Holders hereby secured, and any recovery of judgment shall be for the equal benefit of the Holders.

**Section 809. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Bond Trustee or the Holders is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

**Section 810. Waivers.** No delay or omission by the Bond Trustee, the Bond Insurer or any Holder in the exercise of any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or any acquiescence therein; and every power or remedy given by this Trust Indenture to the Bond Trustee, the Bond Insurer or the Holders may be exercised from time to time and as often as may be deemed expedient.

The Bond Trustee may, with the prior written consent of the Bond Insurer, and shall upon the written request of the Bond Insurer or the written request of the Holders of not less than a majority in principal amount of the Bonds then Outstanding, with the prior written consent of the Bond Insurer, waive any Event of Default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Trust Indenture or before the completion of the enforcement of any rights of the Bond Trustee hereunder, but such waiver shall not waive any subsequent Event of Default or impair any rights or remedies consequent thereon.

Notwithstanding the foregoing provisions of this Section, if a Credit Facility is in effect, the Bond Trustee shall, upon the written request of the Credit Facility Provider, waive any Event of Default hereunder; provided, however, the Bond Trustee shall not waive any Event of Default unless all principal and purchase price of, redemption premium, and interest on the Bonds then in arrears and all fees and expenses of the Bond Trustee then due are paid in full or provided for and the Bond Trustee has received notice in writing from the Credit Facility Provider that the amount available to be drawn under the Credit Facility in respect of the principal and purchase price of, redemption premium, if applicable, and interest on the Bonds has been reinstated in full and has received written rescission from the Credit Facility Provider of any Event of Default specified in Section 801(f).

Section 811. Notice of Default. The Bond Trustee shall, upon notice of an Event of Default, immediately notify the Issuer, the Bond Insurer, the Bank and the Borrower of such Event of Default by Electronic Means. The Bond Trustee shall mail to all Holders at their addresses as they appear on the Register written notice of the occurrence of any Event of Default within 30 days after the Bond Trustee shall have notice of the same, pursuant to the provisions of Section 908 hereof, that any such Event of Default shall have occurred; provided that, except upon the happening of an Event of Default specified in clause (a) or (c) of Section 6.01 of the Agreement and clause (a) or (b) of Section 801 hereof, the Bond Trustee may withhold such notice to the Holders if, in its opinion, such withholding is in the interest of the Holders; and provided further that the Bond Trustee shall not be subject to any liability to any Holder by reason of its failure to mail any such notice.

Section 812. Right to Enforce Payment of Bonds Unimpaired. Nothing in this Article shall affect or impair the right of any Holder to enforce the payment of the principal of and interest on his Bond or the obligation of the Issuer to pay the principal of and interest on each Bond to the Holder thereof at the time and place in said Bond expressed.

Section 813. Rights of Credit Facility Provider. All rights of a Credit Facility Provider under this Trust Indenture to consent to declarations of acceleration, to consent to enforcement of remedies, to direct proceedings, to compel waivers, to consent to amendments and to give any other consents or to vote hereunder shall be suspended (i) for so long as the Credit Facility Provider wrongfully dishonors any draft (or other appropriate form of demand) presented in strict conformity with the requirements of the Credit Facility and has not honored a subsequent draft (or other appropriate form of demand), if any, thereunder or (ii) if no Credit Facility is in effect or any Credit Facility terminates in accordance with its terms and all amounts due under the Credit Facility Provider Agreement have been paid in full.

## ARTICLE IX

### THE BOND TRUSTEE

Section 901. Acceptance of Duties. The Bond Trustee by execution hereof accepts and agrees to fulfill the trusts imposed upon it by this Trust Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Trust Indenture, to all of which the Issuer and the respective Holders agree. Prior to the occurrence of any Event of Default and after the curing of all such Events of Default that may have occurred, the Bond

Trustee shall perform such duties and only such duties of the Bond Trustee as are specifically set forth in this Trust Indenture. During the existence of any such Event of Default that has not been cured the Bond Trustee shall exercise any of the rights and powers vested in it by this Trust Indenture. At all times the Bond Trustee shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

No provision of this Trust Indenture, any Bond or the Agreement shall be construed to relieve the Bond Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(a) prior to any such Event of Default hereunder, and after the curing of any other Events of Default that may have occurred:

(i) the duties and obligations of the Bond Trustee shall be determined solely by the express provisions of this Trust Indenture and the Agreement and the Bond Trustee shall not be liable except for the performance of such duties and obligations of the Bond Trustee as are specifically set forth in this Trust Indenture and the Agreement, and no implied covenants or obligations shall be read into this Trust Indenture or the Agreement against the Bond Trustee, and

(ii) in the absence of bad faith on its part, the Bond Trustee may conclusively rely, as to the accuracy of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to it conforming to the requirements of this Trust Indenture and the Agreement, but in the case of any such certificate or opinion by which any provision hereof is specifically required to be furnished to the Bond Trustee, the Bond Trustee shall be under a duty to examine the same to determine whether or not it conforms to the requirements of this Trust Indenture and the Agreement; and

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Bond Trustee shall not be liable for any error of judgment, made in good faith by a responsible officer or officers of the Bond Trustee unless it shall be proved that the Bond Trustee was negligent in ascertaining the pertinent facts, and

(ii) the Bond Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction (to the extent such direction is otherwise permitted pursuant to Article VIII hereof) of the Holders of not less than 25 percent or a majority, with the prior written consent of the Bond Insurer, as this Trust Indenture shall require, in aggregate principal amount of Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any power conferred upon the Bond Trustee under this Trust Indenture and the Agreement.

None of the provisions contained in this Trust Indenture or the Agreement shall require the Bond Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

**Section 902. Indemnification of Bond Trustee as Condition for Remedial Action.** Except for accelerating the Bonds as required under Section 802 hereof, for taking action to draw on the Credit Facility as required by Section 1201 and paying principal of, and premium, if any, and interest on, Bonds from money in its possession under the provisions of this Trust Indenture, the Bond Trustee shall be under no obligation to institute any suit or to take any remedial proceeding (including, but not limited to, the appointment of a receiver) under this Trust Indenture or the Agreement or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of any of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. The Bond Trustee nevertheless may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Bond Trustee, without indemnity, and in such case the Borrower shall reimburse the Bond Trustee for all costs, expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith.

**Section 903. Limitations on Obligations and Responsibilities of Bond Trustee.** The Bond Trustee shall be under no obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Issuer or the Borrower, or to report, or make or file claims or proof of loss for, any loss or damage insured against or that may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. Except as to the acceptance of the trusts by its execution of this Trust Indenture, the Bond Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Trust Indenture, or in respect of the validity of Bonds or the due execution or issuance thereof. The Bond Trustee shall be under no obligation to see that any duties herein imposed upon the Issuer or any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Bond Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed. The Bond Trustee shall not be responsible for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby. The Bond Trustee shall have no obligation to perform any of the duties of the Issuer under the Agreement. The Bond Trustee shall not be liable to the Issuer, the Borrower, any Holder, any Beneficial Owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 602 hereof. The Bond Trustee shall not be liable to the Borrower for any loss suffered in connection with any investment of funds made by the Bond Trustee in good faith as instructed by a Borrower Representative; provided, the Bond Trustee was not negligent in taking such action. The Bond Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to any Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document. The Bond Trustee shall not be required to give any bond or surety in respect of the execution of the said trust and powers or otherwise in respect of the premises. No permissive right of the Bond Trustee hereunder shall be construed as a duty and the Bond Trustee shall be under no obligation to take any such action or exercise any such right.

**Section 904. Bond Trustee Not Liable for Failure of the Issuer to Act.** The Bond Trustee shall not be liable or responsible because of the failure of the Issuer or of any of its

employees or agents to make any collections or deposits or to perform any act herein required of the Issuer or because of the loss of any money arising through the insolvency or the act or default or omission of any depository other than the Bond Trustee in which such money shall have been deposited under the provisions of this Trust Indenture. The Bond Trustee shall not be responsible for the application of any of the proceeds of Bonds or any other money deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Trust Indenture. The immunities and exemptions from liability of the Bond Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 905. Compensation of Bond Trustee. Subject to the provisions of any contract between the Issuer or the Borrower and the Bond Trustee relating to the compensation of the Bond Trustee, the Issuer (but only to the extent permitted by applicable law) shall pay or cause the Borrower to pay to the Bond Trustee reasonable compensation for all services performed by it hereunder.

Section 906. Monthly Statements from Bond Trustee. It shall be the duty of the Bond Trustee, on or before the 15th day of each month, to file with the Borrower a statement setting forth in respect of the preceding calendar month:

- (a) the amount withdrawn or transferred by it and the amount deposited with it on account of each fund or account held by it under the provisions of this Trust Indenture,
- (b) the amount on deposit with it at the end of such month in each such fund or account,
- (c) a brief description of all obligations held by it as an investment of money in each such fund or account,
- (d) the amount applied to the purchase or redemption of Bonds under the provisions of Article III hereof and a description of the Bonds or portions thereof so purchased or redeemed, and
- (e) any other information that the Issuer or the Borrower may reasonably request.

It shall also be the duty of the Bond Trustee to file with the Issuer and the Borrower an annual statement covering the matters set forth in clauses (a) through (e) of the preceding paragraph on a basis coinciding with the Borrower's fiscal year as well as a statement of the cost and most recent valuation of all Permitted Investments in all funds and accounts established hereunder. The annual statement shall include the initial purchase price and the market price as of the date of such report of every investment in each such fund or account. The annual statement shall be filed simultaneously with the monthly statement for the last month of each fiscal year of the Borrower.

All records and files pertaining to Bonds and the Borrower in the custody of the Bond Trustee shall be open at all reasonable times to the inspection of the Issuer, the Borrower and their respective agents and representatives; provided, however, that the Borrower and its agents and representatives shall not have access to any list of the Holders.

Pursuant to the requirements of the Issuer, the Bond Trustee shall, no later than August 1 of each year, provide the Issuer with information disclosing the principal balance of the Bonds Outstanding, as of the preceding June 30.

Section 907. Bond Trustee May Rely on Certificates. If at any time it shall be necessary or desirable for the Bond Trustee to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as Bond Trustee, and in any case in which this Trust Indenture provides for permitting or taking any action, the Bond Trustee may rely upon any certificate required or permitted to be filed with it under the provisions of this Trust Indenture, and any such certificate shall be evidence of such fact or protect the Bond Trustee in any action that may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Trust Indenture, any request, notice, certificate or other instrument from the Issuer to the Bond Trustee shall be deemed to have been signed by the proper party or parties if signed by any Issuer Representative, and the Bond Trustee may accept and rely upon a certificate signed by any Issuer Representative as to any action taken by the Issuer.

Section 908. Notice of Default. Except upon the happening of any Event of Default specified in clauses (a) and (c) of Section 6.01 of the Agreement and clauses (a) and (b) of Section 801 hereof, the Bond Trustee shall not be obliged to take notice or be deemed to have notice of any Event of Default under this Trust Indenture or the Agreement, unless specifically notified in writing of such Event of Default by the Issuer or the Holders of not less than 25 percent in aggregate principal amount of Bonds then Outstanding.

Section 909. Bond Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Bonds shall be taken and construed as made by and on the part of the Issuer and not by the Bond Trustee, and the Bond Trustee assumes and shall be under no responsibility for the correctness of the same.

Section 910. Bond Trustee Protected in Relying on Certain Documents. The Bond Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Trust Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Trust Indenture, or upon the written opinion of any attorney, engineer or accountant believed by the Bond Trustee to be qualified in relation to the subject matter, and the Bond Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument. The Bond Trustee shall not be under any obligation to see to the recording or filing of this Trust Indenture, the Agreement or otherwise to the giving to any person of notice of the provisions hereof.

Section 911. Bond Trustee May Pay Taxes and Assessments. In case the Issuer or the Borrower shall fail to pay or cause to be paid any tax, assessment or governmental or other charge upon any part of the Borrower to the extent, if any, that the Issuer or the Borrower may be deemed by the Bond Trustee liable for same, the Bond Trustee shall pay such tax, assessment or

governmental charge, without prejudice, however, to any rights of the Bond Trustee or the Holders hereunder arising in consequence of such failure; and any amount at any time so paid under this Section shall be repaid upon demand by the Bond Trustee by the Issuer from funds made available by the Borrower, but the Bond Trustee shall be under no obligation to make any such payment from sources provided in this Trust Indenture unless it shall have available or be provided with adequate funds for the purpose of such payment.

**Section 912. Resignation and Removal of Bond Trustee Subject to Appointment of Successor.** No resignation or removal of the Bond Trustee and no appointment of a successor Bond Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Bond Trustee under Section 915 hereof and the Credit Facility (if a Credit Facility is then in effect) is transferred to the successor Bond Trustee.

**Section 913. Resignation of Bond Trustee.** Subject to the provisions of Section 912 hereof, the Bond Trustee may resign and thereby become discharged from the trusts hereby created, by notice in writing given to the Issuer and the Borrower, and mailed, postage prepaid, at the Bond Trustee's expense, to each Holder, not less than 60 days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment of a new Bond Trustee hereunder if such new Bond Trustee shall be appointed before the time set forth in such notice and shall then accept the trusts hereof and the Credit Facility (if a Credit Facility is then in effect) is transferred to the successor Bond Trustee.

**Section 914. Removal of Bond Trustee.** The Bond Trustee may be removed (a) at any time by an instrument or concurrent instruments in writing, executed by the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding and filed with the Issuer, or (b) so long as no Event of Default shall have occurred and be continuing, by an instrument in writing executed by the Borrower Representative, subject to the prior written consent of the Issuer, and filed with the Issuer not less than 60 days before such removal is to take effect as stated in said instrument or instruments. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by the Secretary or any Assistant Secretary of the Issuer as having been received by the Issuer, shall be delivered promptly by the Secretary or any Assistant Secretary of the Issuer to the Bond Trustee.

The Bond Trustee may also be removed at any time for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provisions of this Trust Indenture with respect to the duties and obligations of the Bond Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than 25 percent in aggregate principal amount of Bonds then Outstanding.

**Section 915. Appointment of Successor Bond Trustee.** If at any time hereafter the Bond Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting as Bond Trustee shall be taken over by any governmental official, Issuer, department or board, the position of Bond Trustee shall thereupon become vacant. If the position of Bond Trustee shall become vacant for any reason, the Borrower shall recommend and the Issuer shall appoint (subject to the approval of the State Treasurer, if then required pursuant to applicable law), a Bond Trustee to fill such vacancy. A successor Bond Trustee shall not be required if the Bond Trustee shall sell or assign substantially all of its trust

business and the vendee or assignee shall continue in the trust business, or if a transfer of the trust department of the Bond Trustee is required by operation of law, provided that such vendee, assignee or transferee (i) is a trust company or bank having the powers of a trust company as to trusts, qualified to do or doing trust business in one or more states of the United States of America, (ii) has good standing, (iii) has a combined capital, surplus and undivided profits aggregating not less than \$100,000,000 and (iv) is approved by the Issuer and the Borrower (subject to the approval of the State Treasurer, if then required pursuant to applicable law). The Issuer shall mail notice of any such appointment made by it, postage prepaid, to all Holders.

At any time within one year after any such vacancy shall have occurred, the Holders of not less than 25 percent in principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing, executed by such Holders and filed with the Issuer, may nominate a successor Bond Trustee, which the Issuer shall appoint and which shall supersede any Bond Trustee theretofore appointed by the Issuer. Photographic copies, duly certified by the Secretary or any Assistant Secretary of the Issuer as having been received by the Issuer, of each such instrument shall be delivered promptly by the Issuer to the predecessor Bond Trustee and to the Bond Trustee so appointed by the Holders.

If no appointment of a successor Bond Trustee shall be made pursuant to the foregoing provisions of this Section, any Holder hereunder or any retiring Bond Trustee may apply to any court of competent jurisdiction to appoint a successor Bond Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Bond Trustee.

Any successor Bond Trustee hereafter appointed shall (i) be a trust company or bank having the powers of a trust company as to trusts, qualified to do or doing trust business in one or more states of the United States of America, (ii) be of good standing, (iii) have a combined capital, surplus and undivided profits aggregating not less than \$100,000,000 and (iv) be approved by the Issuer and the Borrower (subject to the approval of the State Treasurer, if then required pursuant to applicable law).

The Bond Trustee shall furnish the Credit Facility Provider with written notice of the resignation or removal of the Bond Trustee and the appointment of any successor thereto.

**Section 916. Vesting of Duties in Successor Bond Trustee.** Every successor Bond Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, an instrument in writing accepting such appointment hereunder, and thereupon such successor Bond Trustee, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor; but such predecessor shall nevertheless, on the written request of its successor or of the Issuer and upon payment of the expenses, charges and other disbursements of such predecessor that are payable pursuant to the provisions of Section 905 hereof, execute and deliver an instrument transferring to such successor Bond Trustee all the rights, immunities and powers of such predecessor hereunder; and every predecessor Bond Trustee shall deliver all property and money held by it hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Bond Trustee for more fully and certainly vesting in such Bond Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Bond

Trustee, any such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Issuer. Upon the vesting of duties in a successor Bond Trustee, the predecessor Bond Trustee shall be discharged from the trusts hereby created.

Section 917. Notices to Rating Agencies; Provision of Certain Information to Bondholders. The Bond Trustee shall send a copy of each notice that it is required to deliver to the Holders hereunder to each Rating Agency. Upon written request, the Bond Trustee shall provide to any Bondholder information received by the Bond Trustee pursuant to its status as a holder of the Deposited Bonds under the 1993 Indenture.

Section 918. Effect of Bond Insurance Policy in Determining Adverse Effect on the Holders. Notwithstanding any other provisions of this Trust Indenture, in determining whether the rights of the Holders will be adversely affected in any action taken pursuant to the terms and provisions of this Trust Indenture, the Bond Trustee shall consider the effect on the Holders as if there were no Bond Insurance Policy.

## **ARTICLE X**

### **EXECUTION OF INSTRUMENTS BY HOLDERS AND PROOF OF OWNERSHIP OF BONDS; BOND INSURER DEEMED HOLDER OF BONDS**

Section 1001. Execution of Instruments by Holders and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Trust Indenture to be signed or executed by a Holder may be signed or executed by the Holder or its attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of the Bonds shall be sufficient for any purpose of this Trust Indenture and shall be conclusive in favor of the Bond Trustee with regard to any action taken by it under such instrument if made in the following manner:

The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution, and where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such verification or affidavit shall also constitute sufficient proof of his authority.

Nothing contained in this Section shall be construed as limiting the Bond Trustee to such proof, it being intended that the Bond Trustee may accept any other evidence of the matters herein stated which may be sufficient. Any request or consent of a Holder shall bind every future Holder of the Bonds to which such request or consent pertains or any Bonds issued in lieu thereof in respect of anything done by the Bond Trustee pursuant to such request or consent.

Notwithstanding any of the foregoing provisions of this Section, the Bond Trustee shall not be required to recognize any person as a Holder of Bonds or to take any action at his request unless the Bonds shall be deposited with it.

Section 1002. Preservation of Information.

(a) The Bond Trustee shall preserve in the Register, in as current a form as is reasonably practicable, the name and address of each Holder.

(b) If three or more Holders (hereinafter referred to as "applicants") apply in writing to the Bond Trustee and furnish reasonable proof that each such applicant has owned a Bond for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders with respect to their rights under this Trust Indenture or under the Bonds and is accompanied by a copy of the form of communication which such applicants propose to transmit, then the Bond Trustee shall, within five Business Days after the receipt of such application, at its election, either

(i) afford such applicants access to the information preserved at the time by the Bond Trustee in accordance with subsection (a) of this Section, or

(ii) inform such applicants as to the approximate number of Holders whose names and addresses appear in the information preserved at the time by the Bond Trustee in accordance with subsection (a) of this Section, and as to the approximate cost of mailing to such Holders the form of communication, if any, specified in such application.

If the Bond Trustee shall elect not to afford such applicants access to such information, the Bond Trustee shall, upon the written request of such applicants, mail to each Holder whose name and address appears in the information preserved at the time by the Bond Trustee in accordance with subsection (a) of this Section a copy of the form of communication which is specified in such request, with reasonable promptness after a tender to the Bond Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing.

(c) Every Holder, by receiving and holding one or more Bonds, agrees with the Issuer and the Bond Trustee that neither the Issuer nor the Bond Trustee shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders in accordance with subsection (b) of this Section, regardless of the source from which such information was derived, and that the Bond Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under such subsection..

Section 1003. Credit Facility Provider Deemed Holder of Bonds. For purposes of giving any consents or directions contemplated under this Trust Indenture, or exercising any voting rights given to Holders under this Trust Indenture, for so long as a Credit Facility is in effect and subject to Section 808 hereof, the Credit Facility Provider shall be deemed to be the Holder of the Bonds.

Section 1004. Bond Insurer Deemed Holder of Bonds. For purposes of giving any consents required hereunder or in the Agreement or exercising any voting rights given to Holders hereunder or in the Agreement or giving any direction or taking any other action permitted to be taken by or on behalf of the Holders hereunder or under the Agreement, so long as no Insurer Default has occurred and is continuing, the Bond Insurer shall be deemed to be the sole Holder of Bonds then Outstanding.

## ARTICLE XI

### AMENDMENTS AND SUPPLEMENTS

Section 1101. Supplemental Trust Indentures without Consent of Holders. The Issuer and the Bond Trustee may from time to time and at any time enter into agreements supplemental hereto, without the consent of or notice to any Holder, to effect any one or more of the following:

- (a) cure any ambiguity or defect or omission or correct or supplement any provision herein or any supplemental trust indenture hereto;
- (b) grant to or confer upon the Bond Trustee for the benefit of the Holders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Holders or the Bond Trustee which are not contrary to or inconsistent with this Trust Indenture as then in effect or to subject to the pledge and lien of this Trust Indenture additional revenues, properties or collateral, including Defeasance Obligations;
- (c) add to the provisions of this Trust Indenture other conditions, limitations and restrictions thereafter to be observed which are not contrary to or inconsistent with this Trust Indenture as then in effect;
- (d) add to the covenants and agreements of the Issuer in this Trust Indenture other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer which are not contrary to or inconsistent with this Trust Indenture as then in effect;
- (e) permit the qualification of this Trust Indenture under any federal statute now or hereafter in effect or under any state Blue Sky law, and, in connection therewith, if the Issuer so determines, to add to this Trust Indenture or any supplemental trust indenture such other terms, conditions and provisions as may be permitted or required by such federal statute or Blue Sky law;
- (f) make any other change that is determined by the Bond Trustee, who may rely upon an Opinion of Counsel, to be not materially adverse to the interests of the Holders;
- (g) if all of the Bonds are Book Entry Bonds, amend, modify, alter or replace the Letter of Representations as provided in Section 2.16 hereof or other provisions relating to Book Entry Bonds;
- (h) facilitate the issuance and delivery of certificated Bonds to Beneficial Owners if the book-entry system for the Bonds is discontinued;
- (i) make any change to the administrative provisions hereof, to accommodate the provisions of a Credit Facility, a Substitute Liquidity Facility, a Self Liquidity Arrangement or a bond insurance policy;
- (j) add to the provisions of this Trust Indenture other conditions, limitations and restrictions thereafter to be observed.

When requested by the Issuer, and if all conditions precedent under this Trust Indenture have been met, the Bond Trustee shall join the Issuer in the execution of any such supplemental trust indenture unless it imposes additional obligations on the Bond Trustee or affects the Bond Trustee's rights and immunities under this Trust Indenture or otherwise. A copy of all such supplemental trust indentures shall be promptly furnished to the Bank and the Remarketing Agent shall be promptly advised of any modifications of its rights, duties and obligations hereunder.

The Bond Trustee shall file copies of all such supplemental trust indentures with the Borrower and, if the Bonds are rated by a Rating Agency, shall forward copies of all such supplemental trust indentures to such Rating Agency.

Section 1102. Amendments to Trust Indenture; Consent of Holders and Borrower. Exclusive of supplemental trust indentures covered by Section 1101 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Trust Indenture to the contrary notwithstanding, to consent to the execution by the Bond Trustee of such other trust indenture or trust indentures supplemental hereto as shall be consented to by the Issuer in its sole discretion for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Trust Indenture or in any supplemental trust indenture; provided, however, that nothing in this Section shall permit, or be construed as permitting (a) an extension of the maturity of the principal of, or the mandatory redemption date of, or interest on, any Bond without the consent of the Holder of such Bond, (b) a reduction in the principal amount of, or the premium or the rate of interest on, any Bond without the consent of the Holder of such Bond, (c) the creation of a pledge of receipts and revenues to be received by the Issuer under the Agreement superior to the pledge created by this Trust Indenture without the consent of the Holders of all Bonds Outstanding, (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds without the consent of the Holders of all Bonds Outstanding, or (e) a reduction in the aggregate principal amount of the Bonds required for any consent to any supplemental trust indenture without the consent of the Holders of all Bonds Outstanding. The giving of notice to and consent of the Holders to any such proposed supplemental trust indenture shall be obtained pursuant to Section 1103 hereof.

Anything herein to the contrary notwithstanding, a supplemental trust indenture, amendment or other document described under this Article XI that affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental trust indenture, amendment or other document. The Bond Trustee shall file copies of all such supplemental trust indentures with the Borrower and, if the Bonds are rated by a Rating Agency, shall furnish copies of all such supplemental trust indentures to such Rating Agency.

Section 1103. Notice to and Consent of Holders. If consent of the Holders is required under the terms of this Trust Indenture for the amendment of this Trust Indenture or for any other similar purpose, the Bond Trustee shall cause notice of the proposed execution of the amendment or supplemental trust indenture to be given by first-class mail, postage prepaid, to the Holders of the Outstanding Bonds then shown on the Register. Such notice shall briefly set forth the nature

of the proposed amendment, supplemental trust indenture or other action and shall state that copies of any such amendment, supplemental trust indenture or other document are on file at the Designated Corporate Trust Office for inspection by all Holders. If, within three years or such longer period as shall be prescribed by the Bond Trustee following the mailing of such notice, the Holders of a majority or all, as the case may be, of the principal amount of the Bonds Outstanding by instruments filed with the Bond Trustee shall have consented to the amendment, supplemental trust indenture or other proposed action, then the Bond Trustee may execute such amendment, supplemental trust indenture or other document or take such proposed action and the consent of the Holders shall thereby be conclusively presumed.

Section 1104. Responsibilities of the Issuer and the Bond Trustee. The Issuer and, except as otherwise provided in Section 1102 hereof, the Bond Trustee shall be entitled to exercise their discretion in determining whether or not any proposed supplement to this Trust Indenture or any term or provision therein contained is desirable, after considering the purposes of such instrument, the needs of the Issuer, the rights and interests of the Holders, and the rights, obligations and interests of the Bond Trustee, and the Bond Trustee shall not be under any responsibility or liability to the Issuer or to any Holder or to anyone whomsoever for its refusal in good faith to execute any such supplemental agreement or amendment if such trust indenture is deemed by it to be contrary to the provisions of this Article. The Bond Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by them, who may be counsel for the Issuer, as conclusive evidence that any such proposed supplement to this Trust Indenture does or does not comply with the provisions of this Trust Indenture, and that it is or is not proper for it, under the provisions of this Article, to accept such supplemental trust indenture or amendment.

Section 1105. No Amendments Without Consent of Credit Facility Provider. Anything herein to the contrary notwithstanding, a supplemental trust indenture, amendment or other document described under this Article XI shall not become effective unless and until the Credit Facility Provider shall have consented to the execution of such supplemental trust indenture, amendment or other document. The Bond Trustee shall provide the Credit Facility Provider without charge a full transcript of all proceedings relating to the execution of any such supplemental trust indenture, amendment or other document.

## ARTICLE XII

### CREDIT FACILITIES; LIQUIDITY FACILITIES

#### Section 1201. Credit Facility for the Bonds.

(a) If a Credit Facility for the Bonds is in effect, the Bond Trustee is hereby directed, on or before each Interest Payment Date, to make a drawing under such Credit Facility, in accordance with the terms of the Credit Facility, no later than the time provided in such Credit Facility for presentations of drafts in order to receive payment in immediately available funds by 1:00 p.m. on such date, equal to the interest on Bonds then payable from such Credit Facility due on such Interest Payment Date (other than such interest representing a portion of the purchase price of any Bonds required to be purchased on such date and other than any interest due on Bank Bonds) and to use such drawing to pay such interest due on the Bonds on such Interest

Payment Date. The proceeds of such drawing shall be deposited in the Interest Account in a separate account or subaccount separate and apart from any moneys not received pursuant to a draw on a Credit Facility and held uninvested pending application to the payment of interest on such Bonds. In determining the amount of any such interest then due, the Bond Trustee shall not take into consideration any interest due on any Bond for any period when such Bond is a Bank Bond or for any Bonds owned by the Borrower or any Affiliate, and no drawings under such Credit Facility shall be made, or be used, to pay interest on any Bond for any period when such Bond is a Bank Bond or for any Bonds owned by the Borrower or any Affiliate.

(b) If a Credit Facility for the Bonds is in effect, on or before each date on which a payment of principal or redemption premium (if covered by such Credit Facility) is due either at maturity or as a result of any mandatory or optional redemption of such Bonds or any acceleration of the maturity of such Bonds or otherwise (in each case, other than an amount representing the principal portion of the purchase price of any such Bonds required to be purchased on such date and other than any principal due on Bank Bonds), the Bond Trustee is hereby directed to make a drawing under such Credit Facility, in accordance with the terms of the Credit Facility, no later than the time provided in such Credit Facility for presentations of drafts in order to receive payment in immediately available funds by 1:00 p.m. on the date such principal or redemption premium (if covered by such Credit Facility) is payable, equal to the amount of such principal or redemption premium payment and to use such drawing to make such payment. The proceeds of such drawing shall be deposited in the Principal Account or in the Redemption Fund, as appropriate, in a separate account or subaccount separate and apart from any moneys not received pursuant to a draw on a Credit Facility and held uninvested pending application to the payment of the principal of and redemption premium (if covered by such Credit Facility) on such Bonds. In determining the amount of such principal and redemption premium then due, the Bond Trustee shall not take into consideration any principal or redemption premium required on Bank Bonds or for any Bonds owned by the Borrower or any Affiliate, and no drawings under such Credit Facility shall be made or be used to pay any principal of or redemption premium on Bank Bonds or for any Bonds owned by the Borrower or any Affiliate.

(c) If a Credit Facility for the Bonds is in effect, on or before each day on which Bonds are tendered for purchase or required to be purchased pursuant to Section 206 hereof, the Bond Trustee is hereby directed to make a drawing under such Credit Facility, in accordance with the terms of the Credit Facility, no later than the time provided in such Credit Facility for presentations of drafts in order to receive payment in immediately available funds by 2:45 p.m. on said date, an amount equal to the purchase price of Bonds to be paid on such date, less the amount of moneys described in clause (i) of Section 1303(b) of this Trust Indenture available to pay such purchase price, and to use such drawing to make such payment. The proceeds of such drawing may be paid directly to the Tender Agent or, if such proceeds are received by the Bond Trustee, shall be transferred immediately by the Bond Trustee to the Tender Agent, for deposit in the Bond Purchase Fund established under Section 1301(b)(ii) hereof, in a separate account or subaccount separate and apart from any moneys not received pursuant to a draw on a Credit Facility, and held uninvested pending application to the payment of the purchase price of such Bonds; provided, however, that no drawings under such Credit Facility shall be made or be used to pay the purchase price of any Bank Bonds or of any Bonds owned by the Borrower or any Affiliate.

(d) In connection with any expiration, termination or proposed replacement of the Credit Facility requiring mandatory purchase of the Bonds as provided in Section 206(d)(i) hereof, the Bond Trustee shall give notice by first-class mail to the Holders of the Bonds on or before the 20th day preceding the expiration or termination of the Credit Facility in accordance with its terms or the proposed effective date of any Alternate Credit Facility, which notice shall, to the extent applicable, (1) state the date of such expiration or termination or proposed effective date of the Alternate Credit Facility, (2) describe generally the Alternate Credit Facility to be in effect upon such expiration, termination or replacement, if any, (3) specify the ratings to be applicable to the Bonds after such expiration, termination or replacement of the Credit Facility, and (4) state (A) that the Bonds will be purchased pursuant to Section 206(d)(i) hereof and (B) the date of such purchase, which date shall be a Business Day that is not less than ten days after the giving of such notice.

(e) The Borrower has covenanted in the Agreement that, so long as the interest rate on the Bonds shall not have been adjusted to a Long-Term Interest Rate or a Short-Term Interest Rate Period where all Bond Interest Terms end on the day prior to the maturity date of the Bonds, the Borrower shall cause a Credit Facility, a Liquidity Facility or a Self Liquidity Arrangement to be in effect.

Section 1202. Alternate Credit Facility for Bonds; Delivery of Credit Facility following Liquidity Facility, Substitute Liquidity Facility or Self Liquidity Arrangement.

If there is delivered to the Bond Trustee (i) an Alternate Credit Facility covering the Bonds, (ii) a Favorable Opinion of Bond Counsel, (iii) either (A) written evidence from each Rating Agency then rating the Bonds, in each case to the effect that such Rating Agency has reviewed the proposed Alternate Credit Facility and the ratings of the Bonds after substitution of such Alternate Credit Facility will not result in a rating of below "A" from such Rating Agency or (B) written evidence that the long-term debt of the provider of the proposed Alternate Credit Facility is rated "A" or better by Moody's, S&P or Fitch, (iv) if such Alternate Credit Facility is other than a letter of credit issued by a domestic commercial bank, an opinion of Counsel that no registration of the Bonds or such Alternate Credit Facility is required under the Securities Act of 1933, as amended, (v) an Opinion of Counsel satisfactory to the Bond Trustee to the effect that such Alternate Credit Facility is a valid and enforceable obligation of the issuer or provider thereof, and (vi) if the Credit Facility then in effect with respect to the Bonds does not cover premiums due on the Bonds, and the Bonds would be subject to mandatory tender for purchase at a purchase price in excess of the principal amount thereof plus accrued and unpaid interest thereon to but not including the date of purchase under Section 206, Available Moneys in an amount sufficient to pay the premium due on the Bonds under Section 206, then the Bond Trustee shall accept such Alternate Credit Facility and, after the Bond Trustee has received sufficient funds to pay the purchase price of the Bonds on the date of the mandatory tender for purchase established under Section 206 hereof (by drawing on the Credit Facility if necessary), promptly surrender the Credit Facility then in effect to the Credit Facility Provider which issued the Credit Facility in accordance with its terms for cancellation or deliver any document necessary to reduce the coverage of the Credit Facility permanently.

If a Liquidity Facility or Self Liquidity Arrangement is in effect with respect to the Bonds, a Credit Facility covering the Bonds may be delivered to the Bond Trustee if all of the

conditions set forth in the immediately preceding paragraph and Section 1201(d) regarding the delivery of an Alternate Credit Facility for the Bonds and notice thereof are satisfied. After the Bond Trustee accepts such Credit Facility, the Tender Agent shall enforce payment of any amounts due under an existing Liquidity Facility to the extent required by this Trust Indenture and promptly surrender such existing Liquidity Facility to the issuer thereof.

Section 1203. Rights and Duties Under Credit Facility Relating to Bonds. If a Credit Facility is in effect, the Bond Trustee is hereby instructed, without further direction, to draw amounts under the Credit Facility in accordance with the terms and conditions set forth herein at the times, in the manner and for the purposes set forth in this Trust Indenture. If the Bond Trustee makes a drawing under the Credit Facility relating to the Bonds after the principal of the Bonds has been declared immediately due and payable following the occurrence of an Event of Default with respect to the Bonds, the proceeds of such drawing shall be applied by the Bond Trustee immediately to the payment of the Bonds entitled to be paid therefrom. So long as the Credit Facility remains in effect with respect to any Bonds, the Bond Trustee may not waive an Event of Default with respect to the Bonds if a drawing has been made under the Credit Facility, all or any portion of which is subject to reinstatement as provided in the Credit Facility relating thereto, and such reinstatement has not yet occurred. The Issuer agrees that the Bond Trustee in its name or in the name of the Issuer may enforce all rights of the Bond Trustee and of the Issuer and all obligations of the Credit Facility Provider (including the obligation of the Credit Facility Provider to honor drafts duly presented in accordance with the terms and conditions of the Credit Facility) under and pursuant to the Credit Facility, for the benefit of the Holders of the Bonds. The Bond Trustee agrees to assume and perform the duties and obligations contemplated under the Credit Facility to be assumed and performed by the Bond Trustee.

Section 1204. Notice by Bond Trustee to Reduce Credit Facility. If the Bonds are redeemed in whole or in part, the Bond Trustee shall give notice to the Credit Facility Provider in the manner required by the Credit Facility to reflect such reduction in the principal amount of the Bonds as a result of such redemption.

Section 1205. Liquidity Facility; Substitute Liquidity Facility; Self Liquidity Arrangement; Delivery following Credit Facility.

(a) A Liquidity Facility and any Substitute Liquidity Facility shall be an obligation of the Bank to pay, subject to the conditions set forth in the Liquidity Facility, to the Tender Agent upon request made with respect to the Liquidity Enhanced Bonds and in accordance with the terms thereof

(i) an amount not less than the aggregate principal amount of such Liquidity Enhanced Bonds to pay the portion of the purchase price of such Liquidity Enhanced Bonds equal to the principal amount of such Liquidity Enhanced Bonds delivered or required to be delivered to the Tender Agent for purchase; and

(ii) while the Bonds bear interest at a Daily Rate or a Weekly Rate, an amount equal to the interest on the Bonds for 35 days computed at the rate of 12% per annum, to pay the portion of the purchase price of such Bonds equal to interest on such Bonds delivered or required to be delivered to the Tender Agent for purchase and, if the Bonds

are converted to bear interest at Bond Interest Term Rates, an amount as shall be determined to be necessary to provide for the payment pursuant to the applicable Liquidity Facility of such interest portion of such purchase price in order to obtain a rating on the Bonds in the highest short-term rating category (without giving effect to any gradations within such category) from at least one of S&P, Moody's or Fitch and from all of them that are then rating the Bonds.

(b) A Liquidity Facility shall expire or may be terminated in accordance with its terms. If at any time the Borrower shall deliver to the Tender Agent (i) a Substitute Liquidity Facility that allows the Bonds to be rated in the highest short-term rating category (without giving effect to any gradations within such category) by at least one of S&P, Moody's or Fitch and by all of them that are then rating the Bonds, (ii) an Opinion of Counsel stating that the delivery of such Substitute Liquidity Facility is authorized under this Trust Indenture and complies with the terms hereof, (iii) a Favorable Opinion of Bond Counsel, (iv) one or more Opinions of Counsel, addressed to the Tender Agent, to the effect, singly or together, that the Substitute Liquidity Facility is a legal, valid and binding obligation of the Bank, enforceable against the Bank in accordance with its terms, except as limited by applicable reorganization, insolvency, liquidation, readjustment of debt, moratorium or other similar laws affecting the enforcement of the rights of creditors generally as such laws may be applied in the event of a reorganization, insolvency, liquidation, readjustment of debt or other similar proceeding of or moratorium applicable to the Bank and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and (v) written evidence that notice of mandatory tender as required by Sections 206(f) and 1205(f) hereof has been sent to the Holders prior to such substitution, then the Tender Agent shall, so long as such Substitute Liquidity Facility shall contain administrative procedures which are acceptable to the Tender Agent in its reasonable discretion, accept such Substitute Liquidity Facility, enforce payment of any amounts due under the existing Liquidity Facility or Self Liquidity Arrangement to the extent required by this Trust Indenture and promptly surrender the existing Liquidity Facility to the issuer thereof.

(c) Any Substitute Liquidity Facility shall be a purchase agreement, letter of credit, other liquidity facility, or any combination thereof, issued by one or more commercial banks or savings and loan associations, or other financial institutions, the terms of which shall in all respects material to the interests of the Holders be the same as those contained in the then existing Liquidity Facility, except that the amount available under such Substitute Liquidity Facility to pay the interest portion of the purchase price of the Bonds pursuant to such Substitute Liquidity Facility may change in accordance with Section 1205(a) hereof and that the expiration date of such Substitute Liquidity Facility may be before or after the expiration date for the existing Liquidity Facility.

(d) If a Liquidity Facility is in effect, the Tender Agent shall present all drafts, demands, certificates and other documents required by such Liquidity Facility (in the manner therein permitted and by the time required thereby) for the payment of funds thereunder (after taking into account funds from remarketing as herein provided then held by the Tender Agent) sufficient to pay, on each purchase date, the purchase price for any Liquidity Enhanced Bonds tendered.

(e) If at any time the Borrower shall deliver to the Tender Agent (i) any agreements supplemental hereto that allow the Bonds to be rated in the highest short-term rating category (without giving effect to any gradations within such category) by at least one of S&P, Moody's or Fitch and by each of them that is then rating the Bonds if no Credit Facility or Liquidity Facility will be in effect (a "Self Liquidity Arrangement"), (ii) an Opinion of Counsel stating that the implementation of such Self Liquidity Arrangement is authorized under this Trust Indenture and complies with the terms hereof, (iii) a Favorable Opinion of Bond Counsel, and (iv) written evidence that notice of mandatory tender as required by Sections 206(f) and 1205(f) hereof has been sent to the Holders prior to such substitution, then such Self Liquidity Arrangement shall be implemented and the Tender Agent shall enforce payment of any amounts due under the existing Liquidity Facility to the extent required by this Trust Indenture and promptly surrender the existing Liquidity Facility to the issuer thereof.

(f) In connection with any expiration, termination or proposed replacement of the Liquidity Facility requiring mandatory purchase of Liquidity Enhanced Bonds as provided in Section 206(d)(ii) hereof, the Bond Trustee shall give notice by first-class mail to the Holders of the Liquidity Enhanced Bonds on or before the 20th day preceding the expiration or termination of the Liquidity Facility in accordance with its terms or the proposed effective date of any Substitute Liquidity Facility or Self Liquidity Arrangement which will replace the Liquidity Facility and cause the Liquidity Enhanced Bonds to cease to be subject to purchase from the Liquidity Facility (except upon the occurrence of an Authorized Liquidity Termination in which case notice will be given as described in Section 206(f)(iii) hereof), which notice shall, to the extent applicable, (1) state the date of such expiration or termination or proposed effective date of the replacement of the Liquidity Facility, (2) describe generally the Substitute Liquidity Facility or Self Liquidity Arrangement in effect or to be in effect upon such expiration, termination or replacement, if any, (3) specify the ratings to be applicable to the Liquidity Enhanced Bonds after such expiration, termination or replacement of the Liquidity Facility, and (4) state (A) that the Liquidity Enhanced Bonds will be purchased pursuant to Section 206(d)(ii) hereof and (B) the date of such purchase, which date shall be a Business Day that is not less than ten days after the giving of such notice.

(g) If a Credit Facility is in effect with respect to the Bonds, a Liquidity Facility covering the Bonds may be delivered to the Bond Trustee if all of the conditions set forth in this Section 1205 for the delivery of a Substitute Liquidity Facility for the Bonds are satisfied. If a Credit Facility is in effect with respect to the Bonds, a Self Liquidity Arrangement covering the Bonds may be implemented if all of the conditions set forth in this Section 1205 for the implementation of a Self Liquidity Arrangement for the Bonds are satisfied. After the Bond Trustee accepts such Liquidity Facility or has implemented such Self Liquidity Arrangement and, after the Bond Trustee has received sufficient funds to pay the purchase price of the Bonds on the date of the mandatory tender for purchase established under Section 206 hereof (by drawing on the Credit Facility if necessary), the Bond Trustee shall promptly surrender the Credit Facility then in effect to the Credit Facility Provider which issued the Credit Facility in accordance with its terms for cancellation or deliver any document necessary to reduce the coverage of the Credit Facility permanently.

## ARTICLE XIII

#### Section 1301. Remarketing Agent and Tender Agent for Bonds.

(a) The Borrower shall appoint a Remarketing Agent for the Bonds, subject to the conditions set forth in Section 1302(a) hereof and the approval of the Issuer and the Bank. Each Remarketing Agent shall designate its principal office (other than the initial Remarketing Agent whose principal office is listed in Section 1604 hereof) and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower and the Bank under which the Remarketing Agent will agree, particularly, to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer, the Borrower and the Bank at all reasonable times and upon reasonable notice.

Each Tender Agent shall designate its corporate trust office for delivery of notices and delivery of Bonds (except for the designated corporate trust office of the initial Tender Agent which is listed in Section 1604 hereof) and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Bond Trustee, the Issuer, the Borrower and the Remarketing Agent. By acceptance of its appointment hereunder, the Tender Agent agrees:

(i) to hold all Bonds delivered to it pursuant to Section 206 hereof, as agent and bailee of, and in escrow for the benefit of, the respective Holders which shall have so delivered such Bonds until moneys representing the purchase price of such Bonds shall have been delivered to or for the account of or to the order of such Holders;

(ii) to establish and maintain a separate segregated trust fund designated as the "Bond Purchase Fund" until such time as it has been discharged from its duties as Tender Agent hereunder;

(iii) to hold all moneys (without investment thereof) delivered to it hereunder in the Bond Purchase Fund for the purchase of Bonds pursuant to Section 206 hereof, as agent and bailee of, and in escrow for the benefit of, the person or entity which shall have so delivered such moneys until the Bonds purchased with such moneys shall have been delivered to or for the account of such person or entity;
